Blending sci-fi noir grit with existential grandeur, *Titanium Shadow Dawn's* Edge interrogates the cost of divinity and the chains of history. With visceral prose, fractal roses blooming in ruin and haunting motifs of mirrors reflecting shattered selves, this saga asks: Is some power too dangerous to survive, or is destruction the only path to rebirth? Every choice has a cost, a fact that seventeen-year-old Dylan Grimm knew all too well, especially on the night of his high school graduation. He was framed for setting his school's gym on fire, almost killing a group of girls. He was forced to make an impossible choice and was sent to the other side of the universe, away from everything he knows. He thought his life was over until he met a girl he fell in love with, and only just days before he was sent back home. He was again forced to make an impossible choice, one with deadly consequences. He was forced to be on the run from gangs, assassins, and even judges, but he found a ship reuniting him with his brother and met four of the best friends a guy could ever have. As he was confronted with the choice he made, and every choice that followed, he often wondered if he made the right choice. *Black Rose* is an exciting science fiction fantasy tale where every choice can be good or bad but comes with a cost. She holds power like no other. But can she learn to harness it in time to save her kingdom? In the kingdom of Axaria, a darkness rises. Some call it a monster laying waste to the villagers and their homes. Some say it is an invulnerable demon summoned from the deepest abysses of the Immortal Realm. Many soldiers from the royal guard are sent out to hunt it down. Not one has ever returned. When Asterin Faelenhart, Princess of Axaria and heir to the throne, discovers that she may hold the key to defeating the mysterious demon terrorizing her kingdom, she vows not to rest until the beast is slain. With the help of her friends and the powers she wields, though she has yet to fully understand them, Asterin sets out to complete a single task: The task that countless trained soldiers have failed to kill it. But as they hunt for the demon, they unearth a plot to assassinate the princess herself. Instead, Asterin and her companions begin to wonder how much of their lives have been lies, especially when they realize that the center of the web of deceit might very well be themselves. With no one else to turn to, they are forced to decide just how much they are willing to sacrifice to protect the only world they have ever known. That is, if the demon doesn't get to them first. From young author Coco Ma comes a dazzling new tale of adventure, power, and betrayal, weaving together a stunning world of magic with a killer cast in an explosive, unforgettable debut. The Shadow Warriors of Nakano Stephen C. Mercado,2002 In the history of the twentieth century the role of the military intelligence services in the competition among nations is still murky Among the world s foremost intelligence services those of Imperial Japan remain the least known Few stories are as compelling as those surrounding the Japanese Army s Nakano School From 1938 to 1945 the Nakano School trained more than 2 000 men in intelligence gathering propaganda and irregular warfare Working in the shadows these dedicated warriors executed a range of missions from gathering intelligence in Latin America to leading commando raids against American lines in Papua New Guinea in the Philippines and on Okinawa They played major roles in operations to subvert British rule in India and they organized Japanese civilians into guerrilla units that would have made the invasion of Japan a bloodbath One graduate used his Nakano commando training to elude U S and Philippine military patrols until emerging from the jungle nearly thirty years after the war s end In the decades after World War II graduates of the school worked to obtain from the United States and Russia the release of imprisoned war criminals and the recovery of lost territory including Okinawa Based on archival research and the memoirs of Japanese veterans The Shadow Warriors of Nakano shines a much needed light into the shadows of World War II and postwar Japanese affairs
