Working-Class Women in Irish Literature and Theatre Clara Mallon, Salomé Paul, 2025-07-25 Working Class Women in Irish Literature and Theatre critically engages with works of theatre both by and about working class women historically and presently Addressing professional and community theatre productions from both textual and performative perspectives this volume focuses on works of theatre by practitioners directors playwrights and performance artists across rural and urban contexts Irish theatre has a long history of signifying social class Yet the representations of working class women in Irish theatrical history also encompass several problematic issues starting with the fact that these depictions were created by

male writers like J M Synge and Se n O Casey to name but a few Nonetheless the theatre s emphasis on embodied performance and its ability to reach its public in an unmediated way has attracted working class engagement perhaps more than other art forms in Ireland Contemporary playwrights in the Republic and the north of Ireland have tirelessly striven to illuminate working class women s lived experiences and have reframed the characterisation of working class women by drawing out the intersection of social class with sexualities ethnic minorities and racial identities This edited collection also includes the voices of directors playwrights and performers who identify with a working class social background offering first hand accounts of their lived experience in the theatre industry

BOOK JACKET

Masculinities and Manhood in Contemporary Irish Drama Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present

Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism Masculinities and Manhood in Contemporary Irish Drama charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women s and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis The Methuen Drama Guide to Contemporary Irish Playwrights Martin Middeke, Peter Paul Schnierer, 2010-05-28 The Methuen Drama Guide to Contemporary Irish Playwrights is an authoritative guide to the work of twenty five playwrights from the last 50 years whose work has helped to shape and define Irish theatre Written by a team of international scholars it provides an illuminating survey and analysis of each writer s plays and will be invaluable to anyone interested in studying or teaching contemporary Irish drama The playwrights examined range from John B Keane Brian Friel and Tom Murphy to the crop of writers who emerged in the 1990s and who include Martin McDonagh Marina Carr Emma Donoghue and Mark O Rowe Each essay features a biographical sketch and introduction to the playwright a discussion of their most important plays an analysis of their stylistic and thematic traits the critical reception and their place in the discourses of Irish theatre a bibliography of texts and critical material With a total of 190 plays discussed in detail over half of which were written during the 1990s and 2000s The Methuen Drama Guide to Contemporary Irish Playwrights is unrivalled in its study of recent plays and playwrights
