Roughing It in the Bush Susanna Moodie, 2017-05-16 Told with wit spontaneity and candour Susanna Moodie's account of life on a backwoods farm captures an important part of Canadian history now available as a Penguin Modern Classic Roughing It in the Bush chronicles Susanna Moodie's harsh and often humorous experiences homesteading in the woods of Upper Canada She describes a life of backbreaking labour poverty and hardship on a pioneer farm in the colonial wilderness Her sharp observations satirical character sketches and moments of despair and terror were a startling contrast to the widely circulated optimistic portrayals of life in British North America written to entice readers across the Atlantic A frank and fascinating account of how one woman coped not only with a new world but with a new self this unabridged text continues to justify the international sensation it caused when it was first published in 1852
