**Passages** Janet Caldwell, 2012-03 The expressions found within the pages of this book are an attempt to take you on a journey from darkness into the light I have seen the shadows that haunt me and the glorious light that enveloped me in love I have found that as long as I look into the light of my Father the shadows are behind me Only when I look into the face of them and dwell there do I have the propensity to be swallowed by them I have learned that they are harmless to me as long as I do not engage It s easy to become depressed or sad and let them swallow you whole like a cold drink of water on a hot day in hell My poetry has always been cathartic for me and I know it will be for you The poetry and prose in this book are a reflection of my journey of stepping in and out of the light Finally to be embraced by love acceptance of self and more importantly to love all of God s creation and myself It was not an easy road but I would not have changed it for the world I know the poems in this book will make you laugh cry feel love and experience righteous indignation at times It has been an honor to share my words again and I thank you in advance for reading Blessings of love peace Janet Caldwell      **Saving the Whales** D.
