**Routiers Hotel and Restaurant Guide** Les Routiers, 2004-10-01 **France** Bravo, Routiers Guides Staff, Les Routiers Guides, Les Routiers, 1998-02-01 Nearly 1300 hotels restaurants cafes and bistros meet the Les Routiers standard in France and this guide book lists them for the discerning traveler As with all Les Routiers recommended establishments the traveler can rest assured that the ones displaying the famous red and blue symbol have been thoroughly inspected for quality and value France is broken down by region including a special section on Paris and full color maps help find exactly where the hotel or restaurant is located Travel advice on taking the Chunnel is also given for quick trips from Great Britain Plus a quick and easy glossary of familiar French terms is included Food and accommodations as well as things to do combined in one volume Over 1400 entries in Britain and Ireland and 1300 in France Easy to read full color maps throughout **Hospitality**, 2003 **Routiers Guide** Elizabeth Carter, Routiers Limited, 2003-11-01 **Benin (Other Places Travel Guide)** Erika Kraus, Felicie Reid, 2010-01-26 Benin is a country of wonder and mystery fitting all levels of adventure and comfort Its unique mixture of culture history geography and wildlife provides the ultimate West African experience From thrilling zemidjan moped rides to spotting hippos from dugout canoes traveling across Benin will surely stimulate visitors senses and broaden their horizons Erika and Felicie the authors lived worked and played in Benin for over two years while attached to the Peace Corps They experienced this fascinating country like few outsiders have before and created a national network of locals who all contributed their own specialty and unique insight for this book To see the real Benin and to travel like a local this book is a must Discover Cotonou s lively markets and nightlife Explore the settlements along the mighty Mono River and hike in the picturesque granite hills of the central Collines region Lounge on the sunny palm fringed beaches of Grand Popo before exploring the historical cities of Ouidah and Abomey Embark on a veritable wildlife safari in the national parks of the north and marvel at the vast plains of the Sahel in the upper Atakora and Alibori regions Enjoy the resilient spirit charm and vitality of the Beninese people who will captivate visitors and keep them coming back for more *Hotels and Restaurants of Britain*, 1998 **The Golf Guide Britain and Ireland** FHG Staff, Hunter Publishing, 2005 Over 2 500 courses covered in detail Hotels recommended by golfers for golfers **Recommended Country Hotels of Britain 2004** Hunter Publishing, 2004 Period furnishings spectacular grounds and service that s hard to beat **The French Riviera Adventure Guide** Ferne Arfin, 2011-04-15 Starting just east of la Ciotat the great sweep of Mediterranean coast all the way to the Italian border is referred to as the Cote d Azur or the Riviera It is a large area with dozens of beaches and despite the coast s reputation for toney glamor alternating with brash vulgarity it s a great location for watersports boating parascending climbing hiking and gliding The Western Cote d Azur is a deeply indented coast characterized by many small towns miles of sandy beaches and three great mountainous headlands called massifs The Massif des Maures Massif de l Esterel and Massif de Tanneron foreshadow the march of the Alps to the sea farther east along the Riviera They offer stunning long distance

views and provide miles of good walking For years French vacationers kept the region their secret staying in their holiday homes or with friends and family As a result the massifs remain largely undiscovered territory for foreign visitors who usually race around and between them on motorways heading for the coast If you stop to enjoy this region you ll find it has its own personality and surprises Among the attractions here are St Tropez and St Raphael Like a lot of people I got my first glimpse of the Riviera watching classic movies on television Cary Grant and Grace Kelly trading barbs on a balcony overlooking a yacht filled harbor in To Catch a Thief one of any number of James Bonds or Simon Templars stepping out of the Casino at Monte Carlo Pink Panther movies car chases on the Grande Corniche David Niven in Casino Royale They all created an indelible impression of a gorgeous glamorous and expensive jetsetters paradise The term jetsetter is a little dusty these days but substitute Eurotrash and the idea is the same celebrities minor royals and fashionistas mingling with arms dealers deposed dictators media tycoons and shipping magnates while gossip columnists write about their lifestyles of apparently endless leisure This is not an entirely imaginary picture There s no denying that the Riviera is a playground for the rich and famous Behind the walls and towering hedges of Cap Ferrat and other such places most of what all the money in the world will buy can probably be found But don t be put off if you re traveling on a modest budget It is the glamor of the landscape and all the outdoor activities to which it lends itself that was probably what attracted the beautiful people in the first place And that is within reach of everyone Breathtaking drives along Les Corniches de la Riviera and coastal walks that range from gentle strolls to challenging climbs are laced between the distinctive towns and villages Antibes Nice Menton Beaulieu sur Mer Villefranche scattered almost artfully along the coast In the skies paragliders float down like flower petals from a handful of exceptional launch sites Starting around Antibes and heading east the back country rises and the Alps crowd down to the water Along the way the villages perchees become ever more dramatic Eze at 427 m 1 400 feet tops a narrow dome of rock La Turbie at 500 m 1 640 feet is where the Emperor Augustus planted the Trophée des Alpes a 165 foot monument to the power of Rome that still lords over the coast and looks down on Monte Carlo the medieval village of Sainte Agnes just inland of Menton at 800 m 2 600 feet claiming to be the highest coastal village in Europe This is an excerpt equivalent to about 200 print pages from the 420 page Adventure Guide to Provence the Cote d Azur Both books are highly detailed exploring the culture the sights and activities the places to stay and the best restaurants Dozens of photographs are included plus 15 detailed maps
