Treasury of Egyptian Mythology Donna Jo Napoli,2013 An illustrated tableau of Egyptian myths combines narrative accounts of the stories of the Sun God Ra the Sphinx and numerous pharaohs and queens along with historical cultural and geographic facts Horus Peter Karsten,2023-10-13 This is the third book of the Osirian Myth *Christ in Egypt* D. M. Murdock,Acharya S,2008-12 This comparative religion book contains a startling perspective of the extraordinary history of the Egyptian religion and its profound influence upon the later Christian faith The text demonstrates that the popular god Horus and Jesus possessed many characteristics and attributes in common **Death Gods** Ernest L. Abel,2009-03-20 In cultures throughout human history people have believed that some part of themselves continued to exist after they died Part of that belief is that living can influence what happens to the dead in the afterlife and the dead can return from the afterlife to affect the living Death Gods An Encyclopedia of the Rulers Evil Spirits and Geographies of the Dead describes the many ways the afterlife especially that part of the afterlife commonly known as Hell has been characterized in myths from around the world The hundreds of entries provide readers with a guide to the afterlife as portrayed in these myths its geography its rulers its inhabitants how they got there and what happens after their arrival While the Devil is a prominent resident and ruler of the afterworld in many religions especially Christianity this book examines many other versions of Hell whether presided over by the Devil Hades or one of the many other rulers of the dead Death Gods provides concise encyclopedic entries on all aspects of the mythology of the afterlife The underworlds form the myths of cultures from across the globe for example Xibalba the underworld of the Quiche Maya Di Yu the underground realm of the dead in Chinese mythology the gods and demons of the afterlife the Hindu god of death and justice Yama Ahriman the evil twin of the benevolent god Ahura Mazda in Zoroastrian mythology Buso the invisible ghouls who haunt graveyards and feed on human corpses in Philippine mythology The volume includes an extensive bibliography of the most useful resources for understanding the mythology of death and the afterlife *Ancient Israel in Egypt* Daniel Tompsett,2023-02-07 This book looks back over thousands of years to explore the period in Egyptian history when the Bible identifies that Ancient Israel was resident in Egypt It asks and answers one very simple question What new things can we learn about this period of history if we treat the Bible as a valid historical document Whereas this topic is often approached from either the perspective of the Bible or Egyptology this work genuinely attempts to occupy the ground between the two It uses Scripture like a torch carried into the deepest recesses of the established historical facts and theories concerning the late Middle Kingdom period the Second Intermediate period and the early New Kingdom period in Egyptian history Along the way it considers some of the latest discoveries innovations and

theories from the world of Egyptology and unearths a trove of tangible points of connection As such the narrative forms a two way perspective where the biblical account illuminates stubbornly opaque moments in Egyptian history and chronology and where the meticulous work of Egyptologists provides appropriate additional background to the Bible The result is a sharper perspective of an ancient account that has a surprisingly current application for us all The Esoteric Codex: Demons and Deities of Wind and Sky Rocco Granvil,2017-04-21 The Esoteric Codex Demons and Deities of Wind and Sky collects curated articles regarding demons and deities gods and goddesses of the wind and the sky The Tradition of Hermes Trismegistus Christian H. Bull,2018-09-24 In The Tradition of Hermes Trismegistus Christian H Bull argues that the treatises attributed to Hermes Trismegistus reflect the spiritual exercises and ritual practices of loosely organized brotherhoods in Egypt These small groups were directed by Egyptian priests educated in the traditional lore of the temples but also conversant with Greek philosophy Such priests who were increasingly dispossessed with the gradual demise of the Egyptian temples could find eager adherents among a Greek speaking audience seeking for the wisdom of the Egyptian Hermes who was widely considered to be an important source for the philosophies of Pythagoras and Plato The volume contains a comprehensive analysis of the myths of Hermes Trismegistus a reevaluation of the Way of Hermes and a contextualization of this ritual tradition **Kemet** Peter Karsten,2023-10-13 Kemet is a poetical adaption of the Egyptian Myth of Osiris and Isis This is the deluxe edition in one volume as there is also a three volume set version as follows The Osirian Trilogy Book 1 Osiris The Osirian Trilogy Book 2 Isis and The Osirian Trilogy Book 3 Horus **Isis** Peter Karsten,2023-10-13 This is the second book of the Osirian Myth **Cultural Expression in the Old Kingdom Elite Tomb** Sasha Verma,2014-06-19 Cultural Expression in the Old Kingdom Elite Tomb considers the material and immaterial culture left behind by the ancient Egyptian elite in their tombs starting some 5000 years ago The book intends to understand this culture reflecting the intention of the ancient Egyptians All these intentions are now inaccessible to us a paradox indeed **Conservation of Architectural Heritage** Antonella Versaci,Hocine Bougdah,Natsuko Akagawa,Nicola Cavalagli,2022-03-01 This book focuses on the management and conservation of architectural heritage with the aim of increasing awareness about the value of such conservation and of saving what is left of history which in turn rewards societies by supporting the tourism industry generating economic return and preserving communities identities Since it has become an essential need to manage and conserve the architectural heritage in order to protect the identity and heritage of a city there appeared a gap between the theory and its application Therefore a considerable amount of attention has been directed by experts in this field toward emphasizing the contribution of heritage conservation in order to inspire the development of imaginative useful high quality design *Pagan Portals - Isis* Olivia Church,2021-02-26 Isis has a history spanning millennia and an influence stretching across land and sea She is a Goddess who transcends time and geography remaining one of the most popular Goddesses from the ancient world to this day The book explores Isis mythic journey and how she became the Goddess we recognise today

Striking a balance between the old and the new Pagan Portals Isis provides an historical account of her mythology and worship alongside modern Pagan perspectives and offers the reader tools for Isis contemporary veneration **Shaman and Sage** Michael Horton, 2024-05-28 The first volume of Michael Horton's magisterial intellectual history of spiritual but not religious as a phenomenon in Western culture Discussions of the rapidly increasing number of people identifying as spiritual but not religious tend to focus on the past century But the SBNR phenomenon and the values that underlie it may be older than Christianity itself Michael Horton reveals that the hallmarks of modern spirituality autonomy individualism utopianism and more have their foundations in Greek philosophical religion Horton makes the case that the development of the shaman figure in the Axial Age particularly its iteration among Orphists represented a divine self One must realize the divinity within the self to break free from physicality and become one with a panentheistic unity Time and time again this tradition of divinity hiding in nature has arisen as an alternative to monotheistic submission to a god who intervenes in creation This first volume traces the development of a utopian view of the human individual a divine soul longing to break free from all limits of body history and the social and natural world When the second and third volumes are complete students and scholars will consult The Divine Self as the authoritative guide to the spiritual but not religious tendency as a recurring theme in Western culture from antiquity to the present
