**The Royal Navy in World War Two** Derek G. Law, 1988

**The Royal Navy and German Naval Disarmament, 1942-1947** Chris Madsen, 1998 This book examines the formulation and the implementation of the Royal Navy's policy towards German naval disarmament after the Second World War

*Historical Dictionary of World War II* Anne Sharp Wells, 2023-12-15 World War II was the largest and most costly conflict in history the first true global war Fought on land on sea and in the air it involved numerous countries and killed maimed or displaced millions of people both civilian and military around the world In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and the Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic This book focuses on the lesser known war the war with Japan It begins with Japan's seizure of Manchuria from China in 1931 and covers Japan's ambitious attacks on Pearl Harbor and other territories ten years later the use of atomic bombs on Japan's cities and the end of the Allied occupation of Japan in 1952 Although Japan renounced war in its 1947 constitution conflict continued across Asia as former colonies fought for independence and civil war engulfed other areas

*Historical Dictionary of World War II The War Against Japan Second Edition* contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on the military diplomatic political social economic and scientific aspects of the war in addition to the lives of the people who participated in and directed the war This book is an excellent resource for students researchers and anyone wanting to know more about the war against Japan during World War II

**World War II in Europe, Africa, and the Americas, with General Sources** Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are

primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war

**The A to Z of World War II** Anne Sharp Wells, 2009-09-28 World War II dominates world history today as it dominated world attention over 60 years ago In spite of the alliances that bound many of the same participants the war was essentially two separate but simultaneous conflicts one involved Japan as the major antagonist and took place mostly in Asia and Pacific and the other initiated by Germany and Italy was contested mainly in Europe North Africa the Mediterranean and the Atlantic The A to Z of World War II The War Against Japan traces the brutal conflict from Japan's seizure of Chinese territory in 1931 through the onset of war with the Western Allies in 1941 to the use of atomic weapons by the United States in 1945 It also addresses the aftermath of the war including the formation of the United Nations and the American occupation of Japan As the first of two volumes covering World War II this volume concentrates on the war in Asia and the Pacific so the user benefits from the comprehensive explanations of the people places and events that shaped much of that region's 20th century history

Annotated Bibliography of Works About Sir Winston S. Churchill Curt Zoller, Richard M. Langworth, 2015-06-01 This unique resource will be an enormous aid and impetus to Churchill studies It lists over 600 works with annotations and includes sections listing an additional 5 900 entries covering book reviews significant articles and chapters from books Separate author and title indexes will allow the user to locate specific entries The book's aim is to direct students researchers and bibliophiles to the entire corpus of works about Churchill

The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal

**World War II in Asia and the Pacific and the War's Aftermath, with General Themes** Loyd Lee, 1998-10-23 A companion to World War II in Europe Africa and the Americas this volume reevaluates the most enduring literature on basic aspects of the war in Asia and the Pacific It also covers themes pertaining to societies at war culture the arts and science and technology as well as international relations and the postwar world Included are not only grand strategy military and naval campaigns and matters of diplomacy but also resistance collaboration prisoners of war and broad topics of the home front including chapters on gender issues film literature popular culture and propaganda This volume and its companion provide the first comprehensive historiographic reference work on the war Each chapter describes the state of knowledge on the topic relating each bibliographic reference to the chapter's themes and issues and concludes

with a bibliography Recent original scholarship is included when it aids new understanding and older works of enduring value also find a place The essays in this volume will interest scholars and college teachers as well as advanced students and serious amateurs seeking insight into the history of the war and its literature **British Foreign Policy, 1918-1945**

Sidney Aster,1991 An invaluable guide with information to help researchers understand the nature and significance of sources so they can determine where to focus how to allot time and how best to approach materials in the archives Current information on public and private archives libraries research institutes **The China-Burma-India Campaign,**

**1931-1945** Eugene L. Rasor,1998-03-19 The China Burma India campaign of the Asian Pacific war of World War II was the most complex if not the most controversial theater of the entire war Guerrilla warfare commando and special intelligence operations and air tactics originated here The literature is extensive and this book provides an evaluative survey of that vast literature A comprehensive compilation of some 1 500 titles the work includes a narrative historiographical overview and an annotated bibliography of the titles covered in the historiographical section Following an introductory historical essay and a chronology the historiographical narrative covers land water underwater air and combined operations intelligence matters diplomacy and logistics and supply It also examines the memoirs diaries autobiographies and biographies of the personnel involved Such cultural topics as journalism fiction film and art are analyzed and existing gaps in the literature are looked at The bibliography provides both descriptive and evaluative annotations **Churchill's Anchor** Robin Brodhurst,2000-09-11

Dudley Pound served for longer on the Chiefs of Staff Committee in wartime than any other serviceman in either of the two World Wars He was the professional head of the Royal Navy from July 1939 until his resignation shortly before his death in August 1943 He had to cope with the problems of Hitler by day and Churchill by night of trying to make the old ships of the Royal Navy face the challenge of the modern navies of Germany Italy and Japan Pound had to run the operational HQ of the Admiralty while also chairing the Chiefs of Staff Committee As such he was involved in some of the most controversial decisions in the Naval War in Norway 1940 the sinking of the French Fleet the despatch of The Prince of Wales and Repulse to Singapore the scattering of convoy PQ17 while all the while courageously fighting failing health and enduring huge strain However by the time of his death the Battle of the Atlantic had been won and the Mediterranean cleared Churchill's Anchor aims to put Dudley Pound's achievements into context He held a succession of key commands from a battleship at Jutland to the Mediterranean fleet for four years alternating with key appointments at the Admiralty He was at the centre of naval affairs from 1914 until his death in 1943 Decoding History W. Gardner,1999-09-21 The German attack on merchant

shipping in the Second World War known as the Battle of the Atlantic was countered partly by code breaking intelligence known as Ultra The dramatic revelation of this factor in the middle 1970s resulted in many works giving this as the most important cause of Allied success **Hot Straight and Normal** Ron Martini,2001 Hot Straight and Normal is a submarine bibliography with over 6000 references to books videos articles and Internet sources It is designed to assist researchers

historians students teachers collectors and others with an interest in submarines their history construction and use in wars worldwide It s unique format of listing the books by title will assists the researcher and casual reader alike in finding or searching for familiar words and subjects Fiction book titles are also included Each listing contains title author date published publisher page count ISBN number and other informative descriptions if known This is the only submarine bibliography currently in publication The article index includes all articles in all issues of Naval Submarine League s Submarine Review and Naval Institute s Naval Proceedings magazine There are Web sites and other Internet sources listed and even information on obtaining more information through the Freedom of Information Act Also included is how to find materials inside government archives Collected and edited by a former U S submariner and member of U S Submarine Veterans Inc     *International History of the Twentieth Century and Beyond* Antony Best,Jussi M.
