course is meant Kalida sa the author of Abhijna nas akuntala Raghuwamsa etc and it is him we are here concerned with Of his personal history very little is definitely known The name itself signifies a servant of the goddess Durga it is probable that like so many other names it was bestowed without any reference to its original signification But on it is based a tradition which represents him to have been an illiterate person till by the favour of the goddess he suddenly found himself endowed with the poetic gift Ka li da sa is curiously reticent about himself in his works nor are any records of him by other hands now available Whatever we can say about his life is based on external and secondary sources and must necessarily remain a matter of more or less guess work His birth place was probably somewhere in Malwa and from his glowing description of Ujjayini it would appear that he was a resident of that city Legends are current about his having been a court poet of King Vikramaditya a matter to which we shall refer further on and his works it is true show considerable acquaintance with court life He was a Bra hmana by caste and a devout worshipper of Siva though by no means a narrow minded sectarian He seems to have travelled a great deal throughout India his graphic description of the Himalayan scenes reads very much like that of an eye witness **History of Indian Theatre: Classical theatre** Manohar Laxman Varadpande,1987 The Ritusamhara

Ritusamharam Kalidasa, 2018-04-12 Perhaps the most lively and exuberant of Kalidasa's extant works Ritusamharam is a glorious ode to nature's bounty and the enduring emotional response it evokes in mankind as a whole Recounted as a celebration of the passing seasons it is a feast for the senses capturing the myriad facets of love and longing in a kaleidoscope of sumptuous imagery the mischievous moonlight that like a pining lover steals glances at sleeping maidens the monsoon bloated rivers that rush to the sea with a lustful urgency the flame of lovemaking that is kindled anew at the onset of winter the heady scent of mango blossoms that makes even the most unyielding of hearts quiver Even animals big and small are swept into the playful pattern of the great poet's lyrical homage A N D Haksar's supple and spirited translation is accompanied by an absorbing introduction and notes that shed further light on this extraordinary work **Catalogue of Sanskrit and Pali Books in the British Museum** British Museum.
