Antiques, 1926 *The Hidden Spirituality of Men* Matthew Fox, 2010-09-24 It is no secret that men are in trouble today. From war to ecological collapse, most of the world's critical problems stem from a distorted masculinity out of control. Yet our culture rewards the very dysfunctions responsible for those problems. To Matthew Fox, our crucial task is to open our minds to a deeper understanding of the healthy masculine than we receive from our media culture and religions. Popular religion forces the punitive imagery of fundamentalism on us, pushing most men away from their natural yearning for spirituality and toward intolerance and domination. Meanwhile, many men, particularly young men, are looking for images of healthy masculinity to emulate and finding nothing. To awaken what Fox calls the sacred masculine, he unearths ten metaphors or archetypes ranging from the Green Man, an ancient pagan symbol of our fundamental relationship with nature, to the Grandfatherly Heart to the Spiritual Warrior. He explores archetypes of sacred marriage, showing how partnership becomes the ultimate expression of healthy masculinity. By stirring our natural yearning for healthy spirituality, Fox argues, these timeless archetypes can inspire men to pursue their higher calling to reinvent the world. **All I Have Is Me** K.L.

Smith, 2022-03-08 *All I Have Is Me* is a fictional novel that tells the story of how the Logan family grieves and suffers after their lives are broken and shattered by the loss of their teenaged daughter in an automobile accident. The parents blame the death on their younger daughter, Theresa, who is driving the car. The story is told from Theresa's viewpoint. Life as Theresa has known it changes forever in a matter of seconds. With the death of her older sister, there is no longer any warmth, happiness, or love in the family's life. Theresa is heavily burdened, watching her parents' endless grief. She becomes tired of being the recipient of the accusatory looks of disappointment and hurt from her parents. She feels that no one cares if she lives or dies. After a failed suicide attempt, Theresa decides to do her best to stay out of her parents' way and bide her time until she can graduate from high school and leave home. Upon high school graduation, she joins the army because she has nowhere else to go. The army provides all her basic needs for survival. The army becomes her life for twenty years. Theresa learns to exist and function without allowing herself to get emotionally involved in life. After retirement from the military, Theresa feels a need to put down roots. She stumbles upon an old, dilapidated farm cottage in a small community. She feels a connection to the empty cottage that no one cares for or loves. Theresa finds that as she repairs the flaws and cracks in the old cottage and brings it back to life, she is also repairing the flaws and cracks in her own life. She renews her faith in God. By accepting love from others, the story tells how Theresa is able to find joy and beauty in living as she allows herself to love, forgive herself, and learn to live again. **Dragonflies and Damselflies of South Africa** Michael J.
