## **Long March Of The French Left:**

**The Long March of the French Left** R.W. Johnson,1981-03-19      **The Left's Dirty Job** W. Rand Smith,2010-06-15

The Left's Dirty Job compares the experiences of recent socialist governments in France and Spain examining how the governments of Francois Mitterrand 1981 1995 and Felipe Gonzalez 1982 1996 provide a key test of whether a leftist approach to industrial restructuring is possible This study argues that in fact both governments's policies generally resembled those of other European governments in their emphasis on market adapting measures that eliminated thousands of jobs while providing income support for displaced workers Featuring extensive field work and interviews with over one hundred political labor and business leaders this study is the first systematic comparison of these important socialist governments

**Marxism and the French Left** Tony Judt,2011 No detailed description available for Marxism and the French Left

**The French Left and the Fifth Republic** John Gaffney,1989-02-06 An examination of the ways in which the French Left adapted through a series of transformations to the exigencies of presidentialism and the myths which underpin it The study aims to illustrate the crucial role played by language in the political practice of representative democracy

*The Left in France* Neill Nugent,David Lowe,1983-06-18      **Parties and the Party System in France** A. Knapp,2004-03-12 The French elections of 2002 broke all records for fragmentation abstention and far right protest voting yet returned incumbent President Chirac in triumph and gave him a solid basis of parliamentary support Parties and the Party System in France seeks to explain the paradox of France's current relationship to politics through a comprehensive analysis of French political parties and their interaction over the last fifty years set against the two contexts of French history and of contemporary theories of parties and party systems

Mapping the West European Left Patrick Camiller,Perry Anderson,2020-05-05 Organized as a series of tightly linked comparative assessments Mapping the West European Left provides a guide to the state of the left in Sweden Norway Denmark Germany Britain France Italy and Spain While all the essays are detailed historical compositions setting recent crises and dilemmas in a longer perspective reaching back into the postwar settlement they articulate original insights into the contemporary political conjuncture Why did Swedish social democracy lose hegemony and direction while its Norwegian counterpart showed unexpected resilience What was the background to the Danish rebellion against Maastricht What are the prospects for the SPD and the Greens in post unification Germany Should the British Labour Party embrace electoral reform What propelled the French Socialist Party from triumph to disaster And why did the Italian left fail to fill the vacuum created by the collapse of the Christian Democrats Behind the questions explored by the contributors to Mapping the West European Left lie deeper issues concerning the future of radical politics in Europe after the repudiation of Keynesianism and the end of communism With the individual country analyses synthesized by the editors in a concise and comprehensive introductory essay this book provides key pointers to the social forces and ideological platforms that offer lines of advance to the left today

**Contemporary France** Jill Forbes,Nicholas LAST

KNOWN ADDRESS Hewlett,Francois Nectoux,2014-01-21 In one stimulating source this successful text provides a rigorous analysis of the political economic and social developments in post war France The analysis is supported by specially selected French language texts and exercises This text is suitable for undergraduate students of French especially within a languages social science or business course and for courses in French Studies and European Studies     *Contemporary France* D. L. Hanley,A. P. Kerr,Miss A P Kerr,N. H. Waites,2005-08-17 Many recent studies of French politics have tended to concentrate on the French political system in isolation Contemporary France aims to set the working of the French political system into its historical social and economic context The first section gives a succinct description of the main developments since 1944 in all major contexts economy society domestic politics and foreign relations The authors then analyse the economic social and cultural structures of present day France and discuss the institutional framework of decision making and the major political forces involved in it There are also chapters on French external and defence policy and on the education system all of which are set in the context of the political system as a whole Aimed primarily at students of European history and politics or of French society and culture the book assumes little knowledge in the social sciences and will be readily accessible to beginners in this field     *Intellectuals and the French Communist Party* Sudhir Hazareesingh,1991 This work examines the emergence and subsequent demise of intellectual identification with the French Communist Party arguing that after 1978 political conflicts between the Communist leadership and party intellectuals led to an erosion of support
