Confession Adrienne von Speyr, 2017-03-22 In this second edition of her profound book on confession which theologian Hans Urs von Balthasar calls one of her most central works Adrienne von Speyr discusses the moral and practical aspects of

this sacrament in great depth The most complete spiritual treatise on confession ever written the book covers conversion scruples contrition spiritual direction laxity frequency of confession confessions of religious and lay people and even confessions of saints The most intriguing element in von Speyr's understanding of confession fully developed in this volume is its trinitarian and christological basis The Cross is the archetypal confession and Christian sacramental confession is thus an imitation of Christ in the strict sense Confession examines the enormous fruitfulness of this dogmatic basis from many perspectives giving a wealth of suggestions that both the theological expert and the layman will find very helpful Its practical applicability to one's own confession emerges from every page *The Polish Studies Newsletter*, 1999

A Fresh Look at Confession David M. Knight, 2013 David Knight was forty years a priest before he learned that priests don't hear sins in confession What you are really revealing is your ideals he says The real you has a different set of ideals reflecting your heart instead of your lapses This you abides with God With these words Father Knight reveals that *A Fresh Look at Confession* is unlike anything you may have read about the sacrament He speaks about the heart of confession its meaning and mystery and why it is so necessary for authentic followers of Christ This is deep theology explained in clear language But it's also much more Father Knight's moving intensely personal account of his own journey as a sinner takes readers beyond theory and into the awe inspiring reality of our complete redemption in Jesus who does not just forgive but who takes away the sins of the world From a varied background as missionary teacher pastor professor retreat director and campus minister Father Knight's ministry has come to focus on making mystical experience commonplace in conscious Christian living Book jacket

Looks to Lift the Spirit J. Bernard Taylor, 2011-02-26 The format of this book is unique featuring an acrostic on the word LOOK The purpose of the book is to provide Biblical insights for daily living The discussion of each Bible passage is an acrostic of the word LOOK The letter L stands for the lesson or purpose of the Scripture The letter O represents the outline of the passage The next letter O contains an overview of the passage and the letter K asks a reflective question about it Each LOOK ends with a sentence prayer Readers may browse for LOOKS which might seem appropriate for them at that time or read them all consecutively He sincerely hopes the book will benefit the readers in meeting their daily spiritual needs These LOOKS come from sermons preached through the years but the format makes them more than just a book of sermons They are synopses of sermons with an interesting format getting to the main points of the message with an opportunity for response A special section of the book deals with LOOKS in building a great church These LOOKS including prayer witnessing teaching and serving are signs of strong vibrant churches that are on a continual journey of renewal and transformation Daily Report, Foreign Radio Broadcasts United States. Central Intelligence Agency, 1969 War Trials Will Yates, 2021-05-12 *War Trials* tells the gripping and in depth true story of a British soldier's role in the drowning of an Iraqi teenager in May 2003 the devastating investigation and resulting court martial This narrative non fiction tracks the soldier's life from tight knit broken family home in Merseyside through deadly urban conflict in the Middle East to a different

battle fought against PTSD while he awaited a military tribunal back in the UK The military court case in 2006 marked the first of its kind relating to the Iraq war and a case that opened the flood gates of multiple investigations and inquiries into the conduct of soldiers overseas Based upon rigorous new research this book s untold personal story explores the horrors of battle and the chaos of a post war city and a young soldier s struggle against depression suicide attempts and deep sense of being let down by the army he sought to serve This soldier would eventually endure numerous investigations and face the threat of the International Criminal Court for war crimes but these are the shocking events that started it all It is the compelling story of a contentious military campaign with little preparation for the disastrous fall out the soldiers pushed to the limit who maintained a wall of a silence after doing the unthinkable and a floating body of dead child who came to symbolize a generation lost to war Confession. A Letter to Lord Shaftesbury and the Members of the Church Association

Clergyman,1873 **The Works of ... Matthew Henry, being a complete collection of all the discourses, sermons, and other tracts, that were published by himself. Jackson,David Marion Wilkinson,2011-08-29 A retired Texas Ranger recalls a career that took him from shootouts in South Texas to film sets in Hollywood When his picture appeared on the cover of Texas Monthly Joaquin Jackson became the icon of the modern Texas Rangers Nick Nolte modeled his character in the movie Extreme Prejudice on him Jackson even had a speaking part of his own in The Good Old Boys with Tommy Lee Jones But the role that Jackson has always played the best is that of the man who wears the silver badge cut from a Mexican cinco peso coin a working Texas Ranger Legend says that one Ranger is all it takes to put down lawlessness and restore the peace one riot one Ranger In this adventure filled memoir Joaquin Jackson recalls what it was like to be the Ranger who responded when riots threatened violence erupted and criminals needed to be brought to justice across a wide swath of the Texas Mexico border from 1966 to 1993 Jackson has dramatic stories to tell Defying all stereotypes he was the one Ranger who ensured a fair election and an overwhelming win for La Raza Unida party candidates in Zavala County in 1972 He followed legendary Ranger Captain Alfred Y Allee Sr into a shootout at the Carrizo Springs jail that ended a prison revolt and left him with nightmares He captured The See More Kid an elusive horse thief and burglar who left clean dishes and swept floors in the houses he robbed He investigated the 1988 shootings in Big Bend s Colorado Canyon and tried to understand the motives of the Mexican teenagers who terrorized three river rafters and killed one He even helped train Afghan mujahedin warriors to fight the Soviet Union Jackson s tenure in the Texas Rangers began when older Rangers still believed that law need not get in the way of maintaining order and concluded as younger Rangers were turning to computer technology to help solve crimes Though he insists I am only one Ranger There was only one story that belonged to me his story is part of the larger story of the Texas Rangers becoming a modern law enforcement agency that serves all the people of the state It s a story that s as interesting as any of the legends And yet

Jackson's story confirms the legends too With just over a hundred Texas Rangers to cover a state with 267 399 square miles any one may become the one Ranger who like Joaquin Jackson in Zavala County in 1972 stops one riot A powerful moving read One Ranger is as fascinating as the memoirs of nineteenth century Rangers James Gillett and George Durham and the histories by Frederick Wilkins and Walter Prescott Webb and equally as important True West A straight shooting book that blows a few holes in the Ranger myth while providing more ammunition for the myth's continuation Reads more like a novel than an autobiography Austin American Statesman *The General Statutes of Connecticut, Revision of 1887*
