**Robert MacGregor Dawson**

## **Mackenzie A Political Biography Of William Lyon Mackenzie:**

**Mackenzie** ,2002      William Lyon Mackenzie King Robert MacGregor Dawson,1968      **William Lyon Mackenzie King** Robert MacGregor Dawson,1976      **William Lyon Mackenzie King** Robert MacGregor Dawson,1958 Tecumseh Public School in London Ontario Canada offers access to a biographical sketch written by a seventh grade student about Canadian Prime Minister William Lyon MacKenzie King 1874 1950 The sketch highlights King s education personality family life and his belief in spiritualism      **William Lyon Mackenzie King** Robert MacGregor Dawson,1958      *William Lyon Mackenzie King* ,1963      *William Lyon Mackenzie King, Volume 1, 1874-1923* Robert Dawson,1958-12-15 When William Lyon Mackenzie King retired in 1948 he had held office as Prime Minister of Canada for a total of 7829 days a longer term of service than that of any other Prime Minister in the history of the British Commonwealth Like Roosevelt his contemporary of many momentous years he was greatly admired and greatly hated but none dispute the tremendous influence he exerted on the history of his country or indeed his place in world history In this official biography great days of Canadian history are given life and meaning and at the centre of all the events is a phenomenal personality gifted with intelligence intrepidity and luck with amazing insight into his times and the nature of his political occupation The biography based largely on sources hitherto unavailable permits the reader to witness the unfolding of important events as a chief participant himself saw them and to view far reaching decisions through the eyes of the man who made them for Mackenzie King speaks in his own words through much of these volumes They allow us to observe an extraordinarily complex and powerful personality at work In this first volume Mackenzie King s life and political career are traced up to the firm establishment of his first administration as Prime Minister The forces in is background education and early interests which eventually led him into politics are brought out vividly It is both fascinating and touching for instance to observe in letters and personal papers the intimate family relationships which so largely determined what Mackenzie Kind became Once public service had been chosen he displayed such talents that a leading role seems almost inevitable to all who knew him      **William Lyon Mackenzie King** Robert MacGregor Dawson (politiste).),1958      **William Lyon Mackenzie King** ,1976      **William Lyon Mackenzie King** Robert MacGregor Dawson,H. Blair Neatby,1958 This second volume of the official biography of Mackenzie King covers the years 1924 to 1932 At the opening of this period King was still an inexperienced and untried leader but the next few years were to test his qualities as he dealt with the concessions and compromises necessary in governing with an unstable majority and finally emerged the winner from the complicated chess games of parliamentary sessions The Liberal success in the election of 1926 returned to office a Prime Minister with confidence in his own judgment and more inclined to hold firm to his own opinions against opposition from his colleagues or his party After this election and the outcome of that in 1930 which handed over to the Conservatives the problems of the depression the myth of King s political infallibility continued to grow But a less able man would have been less lucky As this book shows King was a consummate party leader with an unusual sensitivity to

political danger and an unusual capacity to learn from his mistakes In the years 1924 to 1932 a number of familiar Canadian issues had to be dealt with freight rates on land and sea the debate between a tariff for protection the problems of the Maritime Provinces the natural resources of the Prairie Provinces old age pensions the St Lawrence Waterway immigration There were also other more striking incidents which the author chronicles with verve and style the customs scandal of 1926 the heady pleasures of the years of prosperity and the dismal frustrations of the years of depression the election of 1930 the Beauharnois sensation Throughout skillful use is made of the public records of these years of the King papers and the copious pages of King s own daily diary of his political problems his conversations with colleagues and diplomats his worries and frustrations over difficult decisions his own aims and ideals Over these years King developed and strengthened his convictions about the overriding concern of all Canadian political leaders national unity Only a proper estimate of what was desirable what was necessary and what was impossible could guide in the working out of policies that would be tolerable by the whole of Canada and it was of course King s firm belief and the guiding principle of his political life that the cause of national unity was best served by the cause of Liberalism since that party above all represented the major sections or groups in Canada and alone could effect a satisfactory compromise among them This book brilliant and effective in conception and execution is a study of political leadership in a divided nation a nation which even in calmer times is proverbially difficult to govern It is also a revealing and convincing study of a complex man whose drab public image concealed unsuspected eccentricities

Right here, we have countless books **Mackenzie A Political Biography Of William Lyon Mackenzie** and collections to check out. We additionally present variant types and furthermore type of the books to browse. The agreeable book, fiction, history, novel, scientific research, as capably as various additional sorts of books are readily open here.
