**Madam How and Lady Why** Charles Kingsley, 2021-03-30. Book Excerpt: se to learn. And is it not altogether naughty and wrong to refuse to learn from your Father in Heaven, the Great God who made all things, when he offers to teach you all day long by the most beautiful and most wonderful of all picture books, which is simply all things which you can see, hear, and touch, from the sun and stars above your head to the mosses and insects at your feet? It is your duty to learn His lessons, and it is your interest. God's Book, which is the Universe, and the reading of God's Book, which is Science, can do you nothing but good and teach you nothing but truth and wisdom. God did not put this wondrous world about your young souls to tempt or to mislead them. If you ask Him for a fish, he will not give you a serpent. If you ask Him for bread, He will not give you a stone. So use your eyes and your intellect, your senses and your brains, and learn what God is trying to

teach you continually by them I do not mean that you must stop there and learn nothing more Anything but Madam How and Lady Why; Or, First Lessons in Earth Lore for Children Kingsle Kingsley,2018 Madam How and Lady Why Or First Lessons in Earth Lore for Children by Kingsle Kingsley is a rare manuscript the original residing in some of the great libraries of the world This book is a reproduction of that original typed out and formatted to perfection allowing new generations to enjoy the work Publishers of the Valley s mission is to bring long out of print manuscripts back to life
