a consideration that did not come to light until future lawyers investigated her story In France a new master and mistress purchased her despite laws prohibiting the sale of slaves within the kingdom The couple transported Madeleine across the ocean to their plantation in the Indian Ocean colonies where she eventually gave birth to three children Maurice Constance and Furcy One died a slave and two eventually became free but under very different circumstances On 21 November 1817 Furcy exited the gates of his master s mansion and declared himself a free man The lawsuit waged by Furcy to challenge his wrongful enslavement ultimately brought him before the Royal Court of Paris despite the extreme measures that his putative master Joseph Lory deployed to retain him as his slave A meticulous work of archival detection Madeleine s Children investigates the cunning clandestine and brutal strategies that masters devised to keep slaves under their control and paints a vivid picture of the unique and evolving meanings of slavery and freedom in the Indian Ocean world **Supreme Court of the State of New York ,**
