Kornbluth Mark Rich, 2010-01-13 Cyril Kornbluth is a legendary figure in science fiction As a teenager in the years before World War II he wrote prolifically and brilliantly under multiple pennames After military service he developed a voice distinctive for its commanding intelligence passion and wit displaying it in a string of novels and short stories including his award winning *The Little Black Bag* His sudden death in 1958 at the early age of 35 marked the end of an era it was a time when his chosen literary field was contemplating its potential demise This comprehensive biography tells the story of this remarkable writer and his works for the first time From the Sidelines to the Headlines Betsy Gerhardt Pasley, 2023-03-07 In spring 2014 Peggy Kokernot Kaplan a former Trinity University athlete

and cofounder of the women's track team emailed her alma mater's athletic department asking the school to post statistics from the team's 1975 season. It's no surprise that they couldn't fulfill her request for Trinity had sparse records from the 1970s not just for track and field but for most performances by female athletes before 1991 when the school joined a NCAA Division III conference. What started as a humble email request nearly a decade ago has culminated in *From the Sidelines to the Headlines: The Legacy of Women's Sports at Trinity University*, an expansive book aimed at filling in the gaps in coverage of half a century of women's intercollegiate sports. Former Trinity athlete Betsy Gerhardt Pasley and historian Doug Brackenridge along with other members of the Trinity community have collected hundreds of long forgotten documents and conducted dozens of interviews with former students, coaches and administrators to tell the fascinating multifaceted story of women's sports at this liberal arts school in San Antonio, Texas. While the book focuses primarily on the post Title IX years between 1972 and 1999, its scope extends to Trinity's founding in 1869, illuminating the century-long evolution of women in competitive sports at Trinity and elsewhere before Title IX. The story told alongside the cultural shifts that formed the social and athletic context for female athletes of the day also documents the decision Trinity and other institutions of higher learning faced after Title IX: Should they adhere to a commercial model in which a focus on athletics often overshadowed academics or strive for a more balanced student athlete/nonscholarship model? Trinity chose the latter and has decades of national championships and academic accolades to show for it.

The Risqué Series Boxset Lilly Avalon, 2021-06-30 Three men. Three unconventional professions. Three romances. The Risqué Series boxset consists of three steamy novellas: *Desiring the Dancer*, *I'm not looking forward to my stepsister's bachelorette party. It's going to be a disaster. Then I meet Aiden. He's a cute waiter passing out the drinks. He's sweet and I'm smitten. This mutual attraction is undeniable. There's one other thing that's undeniable though: Aiden is also the entertainment. Enticing the Escort. I need a date and fast. There's no way that I'm going to show up to another wedding by myself. What's a girl to do? Hire an escort of course. Gavin is sexy, confident and definitely not coming home with me tonight. His company however proves far more tempting than I could have predicted. When things heat up, will I fight it or give in?* *Seducing the Star*, *I don't know why I'm at this party. I'd much rather be ringing in the new year at home in my pajamas. If I were cozy and warm on my couch, I wouldn't have to worry about the dreaded midnight kiss.* *Enter Phoenix Westbrook. He's sexy, he's nice, and he's a porn star. We make a pact to share a kiss at midnight with no strings attached. We didn't count on the kiss leading to more.* This boxset includes three alternate POV scenes from the perspective of each of the men.

Nothing But! Brigadier Samir Bhattacharya, 2013-12-19 This is the third part of the six-part saga titled *NOTHING BUT* and subtitled *WHAT PRICE FREEDOM*; it is the story of the Indian Subcontinent and what people had to go through after India and Pakistan became two independent, separate nations and about the Princely state of Kashmir which has become the biggest bone of contention between the two new nations and which led to three bitter wars and also heralded the birth of a new nation called Bangladesh.
