*The Memoirs of Sherlock Holmes* Arthur Conan Doyle, 2023-02-07 I never can resist a touch of the dramatic The Memoirs of Sherlock Holmes is now best remembered for its concluding story in which the great detective appears to plunge to his death into the waters at the bottom of the Reichenbach Falls locked in a struggle with his nemesis Professor Moriarty However the collection also brings the reader back to the beginnings of Holmes career involving a mutiny at sea and a treasure hunt in a Sussex country house and a first encounter with Holmes older brother Mycroft of whom Holmes says If the art of the detective began and ended in reasoning from any armchair my brother would be the greatest criminal agent that ever lived This collection includes some of the detective s greatest cases such as Silver Blaze and The Naval Treaty and even one case which Holmes fails to solve Edited with an introduction by Jarlath Killeen this volume examines Holmes as a safeguard against social breakdown and chaos as well as an agent of justice and goodness against the forces of evil It also situates the collection in the growth of life writing in the period and explores the ways in which Holmes became increasingly real to readers as more details about his personality and biography are revealed in the stories ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
