Turning Gripping Into Gratitude Ronald J. Lavin, 2000 Ron Lavin provides an ideal resource for small groups who want to explore the Psalms or for preachers who want to present an inspirational series of sermons Discussion questions are provided at the end of each chapter as well as a guide for leaders Says Lavin Gripping is one of the most insidious and divisive things into which we easily fall while gratitude is the most productive of attitudes The Psalms are filled with the battle between gripping and gratitude a battle we all fight The psalmists knew both attitudes including the self defeating nature of gripping and the wonder and majesty of gratitude By both verbal and written word Ron Lavin has the ability to communicate with hearers and readers in a probing yet assuring way a challenging yet comforting manner with a confronting yet assisting approach Through his vignettes on the Psalms he makes yesterday's prayers hymns confessions and thanksgivings our own Dr Reuben Swanson former secretary Evangelical Lutheran Church in America What an inspiration to read homilies which deal head on with everyday problems and possibilities it's always an event when Ron Lavin mounts the pulpit Jerry L Schmalenberger former president Pacific

Lutheran Theological Seminary These are just some of the enthusiastic testimonials from those who have field tested this study This book got me to grow up and face some things I needed to face My attitude toward life changed in light of Psalm 30 You turned my wailing into dancing Each chapter increased my knowledge of scripture and strengthened my walk with God The practical applications in the book have become a source for coping with the many struggles of my daily life This is an excellent study book for leading group discussions on what the Psalms mean in our daily lives By reading the chapters and following up with group discussion you can't help but grow in faith understanding and gratitude for the many gifts God has given us Ron Lavin has served congregations in Indiana Iowa Arizona and California and congregational membership doubled in four of the five churches he served Membership in his Davenport Iowa parish increased by over 2 000 while more than 1 000 new members were baptized during his pastorate in Tucson Arizona A popular speaker at major conferences and a prolific writer he has led the church in understanding the dynamics of small groups and evangelism **Spent** Sally

Okoko,2011-08-25 Is trading stocks bonds commodities real estate a form of investing Precisely is trading a security a form of investing This book strives to let you answer this question Not only that it actually takes you through the rudimentary processes of trading them It attempts to resolve the ambiguities surrounding trading and investing which discourages people from engaging in the act It uses practical examples to show you how the money market and the capital markets can work to your advantage The term day trading is seen as precarious But is it really What if there were terms like week trading month trading or even year trading or more so decade trading Then seemingly precarious nature of trading will be removed As a result the definitions of trading and investing begin to converge Investing is the act of committing resources especially money to a venture to generate profits The time element of investing can be as short as nano seconds or as long as centuries or

millenniums Going by this the infinitesimal timeline in trading securities should not make that venture any less than investing So trading as this book considers transcends daily or hourly momentum it also delves into far longer periods decades and centuries Whenever an investment product is bought and sold it had been essentially traded irrespective of the time lapse
