My Prison:

Dieppe, My Prison Jean-Guy Nadeau, Martin Chaput, 2025-07-10 Dieppe My Prison follows the harrowing wartime account of Jacques Nadeau as told by Martin Chaput and Jacques son Jean Guy from his early life and military enrolment in 1941 through his training and transport to England where he waited to be sent into combat When he finally sees action it is at Dieppe one of the bloodiest battles of WWII for Canadian troops Not only does Jacques see his friends lives ended before him and some of the most horrifying battlefield carnage imaginable but he is subsequently captured and held prisoner by the Germans for thirty months After enduring unimaginable conditions for years he is released by the Russian advance into Poland joining a small contingent of fellow captives that is ultimately repatriated to England Throughout his ordeal he manages to find moments of levity and even compassion for his captors and kindles a romance with Jacquie the woman who would later become his wife Told in remarkable detail thanks to the help of extensive diaries and letters Dieppe My Prison is a firsthand account of a Canadian s experience on the Dieppe Raid and one of the most detailed firsthand accounts of WWII by a Canadian It is an indispensable piece of military memoir and a stark reminder of the horrors endured to win the world in which we now live

EARTH WAS MY PRISON. PART 3. THE GAME OF CHANCE Ratz, 2016-05 My love Trishilkree likes to play games This game is called the game of chance When Crysta said she was going to go and do something which she thought was the right thing to do to redeem herself Trishilkree had let Crysta go too easily and Trishilkree took it upon herself to prove Crysta was going to go and do the wrong thing Soon disaster after disaster strikes Trishilkree loses her power to prevent her from ending her game Can Trishilkree prevent billions of people and Catus from being wiped out and most importantly of all can Trishilkree prevent the death of someone that is very close to us all *My Life in Prison* Donald Lowrie, 1912 The account of Donald Lowrie s 10 years in San Quentin after being convicted of burglary

Mandela: My Prisoner, My Friend Christo Brand, Barbara Jones, 2014-11-18 Raised in a multi ethnic farming community Afrikaner Christo Brand was confused and saddened when he first confronted the realities of South African apartheid Conscripted into the military at 18 Brand chose to serve as a prison guard rather than embrace the brutality and danger inherent in the work of soldiers and policemen Assigned to the maximum security facility on remote Robben Island Brand was given charge of the country s most infamous inmate Nelson Mandela For 12 years Brand watched Mandela scrub floors empty his toilet bucket grieve over the deaths of family and friends yet remain as strong as any freedom fighter in history Won over by Madiba s charm and authentic concern for the well being of others Brand became Mandela s confidant and at times accomplice Celebrating triumphs and suffering through many setbacks the two men formed an unlikely bond one that would endure until Mandela s death Told with candor and reverence *Mandela My Prisoner My Friend* is both a meditation on friendship and a moving testament to the dedication determination and most of all humanity exuded by one of the world s great leaders

British Romanticism and Prison Reform Jonas Cope, 2024-12-13 In eighteenth century Britain criminals were routinely whipped branded hanged or transported to America Only in the last quarter of the century with the War of American Independence and legal and sociopolitical challenges to capital punishment did the criminal justice system change resulting in the reformed prison or penitentiary meant to educate rehabilitate and spiritualize even hardened felons This volume is the first to explore the relationship between historical penal reform and Romantic era literary texts by luminaries such as Godwin Keats Byron and Austen The works examined here treat incarceration as ambiguous prison walls oppress and reinforce the arbitrary power of legal structures but can also heighten meditation intensify the imagination and awaken the conscience Jonas Cope skillfully traces the important ideological work these texts attempt to reconcile a culture devoted to freedom with the birth of the modern prison system that presents punishment as a form of rehabilitation Published by
