Memoir of a Race Traitor Mab Segrest, 2019-09-24 Back in print after more than a decade the singular chronicle of life at the forefront of antiracist activism with a new introduction and afterword by the author Mab Segrest s book is extraordinary It is a political memoir but its language is poetic and its tone passionate I started it with caution and finished it with awe and pleasure Howard Zinn In 1994 Mab Segrest first explained how she had become a woman haunted by the dead Against a backdrop of nine generations of her family s history Segrest explored her experiences in the 1980s as a white lesbian organizing against a virulent far right movement in North Carolina *Memoir of a Race Traitor* became a classic text of white antiracist practice bell hooks called it a courageous and daring example of the reality that political solidarity forged in struggle can exist across differences Adrienne Rich wrote that it was a unique document and thoroughly fascinating Juxtaposing childhood memories with contemporary events Segrest described her journey into the heart of her culture finally veering from its trajectory of violence toward hope and renewal Now amid our current national crisis driven by an increasingly apocalyptic white supremacist movement Segrest returns with an updated edition of her classic book With a new introduction and afterword that explore what has transpired with the far right since its publication the book brings us into the age of Trump and to what can and must be done Called a true delight and a must read *Minnesota Review* *Memoir of a Race Traitor* is an inspiring and politically potent book With brand new power and relevance in 2019 this is a book that far

transcends its genre *Leonard Bernstein* Paul Laird,2015-06-05 Beginning with an introductory essay on his achievements it continues with annotations on Bernstein s voluminous writings performances educational work and major secondary sources

High School Memoirs: a Journey in Surrealism Sean C. Cusack,2007-11-14 Synopsis High School Memoirs A Journey in Surrealism is a tear jerking hilarious ride for a less than ordinary High School student who battles bullies and librarians to become King of the Classroom Set in a small Catholic High School on the north side of Chicago author Sean Cusack takes us on a surrealistic journey through four fun filled years of triumph and tragedy in this unique epic The journey begins with Sean Cusack entering St Bernadin High School in August of 1995 as a very young and innocent Freshman student He focuses on several life changing experiences in his infant days of High School that change him forever Innocence Lost traces the steps Sean Cusack took that ultimately lead him on a path toward frequent battles with students and the school faculty and Administration As a Sophomore The Ride most certainly takes us on a ride through fights vandalism and verbal debacles that continued to steer the vengeful ship that Sean Cusack had been building since a Freshman He now had become the ships Captain as it set sail The Ride takes us through many strange and mysterious encounters that add more of a surrealist element to this budding melodrama and comedic satire Sean Cusacks roses bud Junior Year in Forever Remembered when he becomes a charismatic hero and leader of a rebellious group of students that pillage and plunder the school and faculty in wild and zany antics Forever Remembered embodies the humorous and more imaginative side of Sean Cusack as the journey through High School becomes more surreal Senior Year wraps up the trials and tribulations that Sean Cusack had endured thus far in his High School experience culminating into one person after years of battling the Defunct Administration He is molded by evil as the rebellious youth becomes totally hellbent on crippling the school In the end he loses friends respect from teachers but most of all he loses faith in his cause yet ends his High School experience with a fantastical and triumphant bow Sean Cusack proves that not all High School stories are the same in this turbulent and chaotic autobiography High School Memoirs A Journey in Surrealism chronicles a strange and unique history that is truly a step above the rest

TROJAN DIALOGUES offers a very unusual rendition of the Tale of Troy as seen through the eyes of the Greek hero Diomedes The novel reconciles the different accounts conveyed in Homer s immortal ILIAD and other classical epics with the latest archaeological evidence The author presents a somewhat more plausible interpretation of what may indeed have been historical events along with highly imaginative explanations of the thousand ships Greeks bearing gifts Helen s elopement with Paris Achilles sexual preferences and of course the Trojan horse We shall never know precisely what if anything transpired on the shores of Asia Minor during the Late Bronze Age but TROJAN DIALOGUES brings us much closer to a realistic though still highly romanticized picture **Edgar Wallace - Ultimate Collection: Crime Novels, Detective**
