

The Day My Father Died

**I saw him in the fields today
With two horses and a plough
I Waved at him and said hello
And he just mopped his brow
I stood there in silence
Could hear the horses breathe
As he trudged through the Muddy furrows
I began to leave**

**Slowly I was walking towards
The valley down below
To where the stone walled cottage stood
To the place that I call home
There, stood in the doorway
Was my sister Rosalee
Her hair tied up with ribbons
As she smiled across at me**

**She took my hand and said
Let's have a cup of tea**

**Thereupon she shook her head
And fell upon her knees
And through her sobs I heard her say
That Dad had passed away
We held each other tenderly
And cried until the dawn
Remembering all those
Precious times, now that Dad had gone.**

My Of Poems:

Poems from My Heart and Soul Melvin Avery Edwards, 2010-02-22 This book is a collections of poems written from 1980 2009 A collection of poems that will have something for all types of folk in this life It will also give you pause to think about your belief system and what it means to you These poems look at life from a personal point of view from the author and will show how the author looks at life at certain points of his life while dealing with different types of folk and situations along his life's journey It will show the angry disappointment happiness and love with life along the way In the end poems are about life and the roads you take until your world has ended at a certain point *my poem is you* Weng T., 2022-02-07 my poem is you is a collection of 37 sonnets and 4 villanelles These are poems of falling in love being in love mistakes broken promises break up and moving on Passages in every poem are life relatable emotions Rhymes in every stanza are extracted tears of love and disappointments The collections of stanzas are roller coaster of life on its most insensibility definition This collection of poems speaks that everyone is a victim of life's playful destiny Life is poetry and poetry is life Everyone is the hero of oneself because we create our own stories And experiencing our various emotions is the result of our involved circumstances and choices These poems are mirrors for everyone Despite of struggles everything will be fine as long as you are real especially to your own feelings **Whitaker's Poems** Noah Franklin Whitaker, 1927 **Some Poems by Joe** Joe Perrone, 2016-01-28 Some Poems By Joe Whose Not A Poet Some Food For Thought Some Stories Taught So Please Enjoy They Won't Annoy You'll Laugh You'll Cry Just Don't Ask Why So Take A Chance And Take A Glance Cause What's Inside Was Written With Pride *Poems of Love, Struggle, and Change* Merredith F. Perkins, Ph.D., 2019-02-26 Poems of Love Struggle and Change By Merredith F Perkins Ph D If someone had said to her twenty five years ago that she would be living the life she is living Merredith F Perkins Ph D would have questioned his or her sanity She would have been an ardent disbeliever The fortune of writing was bestowed upon her a long time ago but she did not know that twenty five years of reflective writing and her poems would show up in a book at this stage of her life In her golden years Dr Perkins is writing and sharing her poetry with the public to show that we all have a lot in common and that we all stumble humbly through our life's journey In taking stock of her life and understanding a little bit of what her life has been for she is learning that the puzzle pieces were being laid on a path long before she arrived at that path Poems of Love Struggle and Change is a collection of poetic expressions on topics about love in relationships struggling with expressions of self awareness and engaging in the friction of self discovery as a way to gauge internal and external explorations as life unfolds *Words of A Fallen Angel (A Book of Poems)* Lindsay Dancker, 2018-07-23 This book is a collection of some of my poetry that I have written over the years *English Poems...* Walter Cochrane Bronson, 1908 **Lyrics of Lives** Vinita Sahu, 2019-02-12 My book LYRICS OF LIVES enumerates various categories of poems namely Nature Life Death Triumph Suspense Challenges of growing Urbanization and other virtues like truth innocence and piety All my poems revolve around the beauty of heart and soul how one battles

against adversities how one comes out victorious even though situations pose numerous hurdle I've even taken a peek into issues of life and death our eternal journey that continues forever The baggage of this life transcends into the next good or bad we need to take responsibilities of our deeds The plight of our Mother Earth the so called Blue Planet endowed to us is in an alarming state My poems attempts to awaken mankind to save our Mother Earth The enchanting beauty of nature has been depicted beautifully in my poem The Wilderness that takes a supreme place among all my poems as it defines life that enjoys the ecstasy of nature far away from worldly clutter where you feel closest to the Almighty and take the delight it happens to offer Also suspense takes a special place among the list of my poems not with an aim to scare alone but seeing to it that suspense leaves you with some interesting message Hope that my readers find them engrossing and at the same time enjoyable Also the race to touch the pinnacle of success amass tangible possessions leave behind others has turned the new genre into machines Their speed and success drive have snapped them tragically from their near and dear ones My poem Lyrics of Lives dwells on piety piety within family and piety for the larger family under the sky This will be clear through Maami and After Thirty Years Apart from spiritual angle my poems talks about the bitterness of human society how they abandon people who might need them whose agonies could be attended through their love and care but alas Life perishes and others never get to know why My poems delve with streaks of personality that one is born with and which is a hard crust to crack yet I also believe that certain catastrophic incident in one's life has the ability to reformat one's perspective towards life as will be apparent in my poems The Chiselled Diamond and Blissful Amiss Finally My Little Restless Nephew and Oh Dad comes along with the fragrance of innocence and reverence the former brings smile to the face while the latter fills tears into eyes for having lost such endearing dad a God substitute in most of our lives

Ignorance Andrew Bennett, 2013-07-19 Andrew Bennett argues in this fascinating book that ignorance is part of the narrative and poetic force of literature and is an important aspect of its thematic focus ignorance is what literary texts are about He sees that the dominant conception of literature since the Romantic period involves an often unacknowledged engagement with the experience of not knowing From Wordsworth and Keats to George Eliot and Charles Dickens from Henry James to Joseph Conrad from Elizabeth Bowen to Philip Roth and Seamus Heaney writers have been fascinated and compelled by the question of ignorance including their own Bennett argues that there is a politics and ethics as well as a poetics of ignorance literature's agnology its acknowledgement of the limits of what we know both of ourselves and of others engages with the possibility of democracy and the ethical and allows us to begin to conceive of what it might mean to

be human This exciting approach to literary theory will be of interest to lecturers and students of literary theory and criticism
