My People My Poetry:

a poem for all my people carmen alicia murguia, illustrations by gabriela riveros, 2017-01-04 Carmen Alicia Murguía's latest collection of poetry presents anthems and odes to all her people, friends, lovers, fellow artists, and herself. Complimented by the stunning illustrations of Gabriela Riveros, *A Poem For All My People* explores the beauty and pain of life with roots in history, written in bold terms and powerful linguistic imagery.

My People Redux Angela Trudell Vasquez, 2022-01-14 The poems in the collection *My People Redux* travel through time. We go back and forth between the present, *They Could Be Sisters*, and the past, *Goose Eggs*, not just the poet's past but that of her ancestors who came to the Midwest from Mexico in the late 1800s, as displayed in the piece *My People Redux*. The poet's voice is always female and strong but also vulnerable, as in the poem *Child Pose Cannot Hold These*. These are poems of race, ethnicity, gender, and class. There are also mystical poems in this collection, and things the poet cannot explain, like in the piece *Once in Seattle* and in *The Congregation*. In Trudell Vasquez's fourth collection, her concerns are the same as in all of her previous collections, but her way of approaching the page varies. The poet travels in this collection from Madison to Seattle, Santa Fe, Des Moines, Milwaukee, Washington D.C., Chicago, and outside of the country too, to the Caribbean to Isla Mujeres in Mexico. In the poem *Everybody is Somebody's Child*, we are given a glimpse of the poet's concern for all people across the globe. Ever present in all the work is nature, the poet's appreciation for the natural world and all its creatures, but especially the least fortunate among us.

Poems for My People and Me Monica Sekhmet Grant, 2014-01-10 *Poems for My People and Me* was taken from the iconic Nina Simone. In her song titled *Mississippi Goddam*, she sings of how all she wants is equality for my sister, my brother, my people, and me. The spirit of Nina Simone's cry to the world is infused throughout *Poems for My People and Me* with verses of struggle and triumph dealing with race, sex, and poverty.

Here Are My People David A. Reichard, 2024-06 Beginning in the late 1960s and throughout the 1970s, a new generation of LGBT students in California began to organize publicly on college and university campuses, inspired by contemporaneous social movements and informed by California's rich history of LGBT community formation and political engagement. *Here Are My People* documents how a trailblazing group of queer student activists in California made their mark on the history of the modern LGBTQ movement and paved the way for generations of organizers who followed. Rooted in extensive archival research and original oral histories, *Here Are My People* explores how this organizing unfolded, comparing different regions, types of campuses, and diverse student populations. Through campus-based organizations and within women's studies programs, and despite various forms of reactionary resistance, student organizers promoted LGBT-themed educational programming and changes to curriculum, provided peer support like counseling and hotlines, and sponsored events showcasing queer creative practices, including poetry, theater, and film. Collaborating across various campuses, they formed regional and statewide alliances. And importantly, LGBT student organizers engaged California's vibrant gay liberation and lesbian feminist political communities, forging new and important relationships in the movement.
