N. Hone Adrian Le Harivel, 1992-01-01 "Exhibiting Outside the Academy, Salon and Biennial, 1775-1999 " Andrew Graciano, 2017-07-05 In recent years there has been increasing scholarly interest in the history of museums academies and major exhibitions There has been however little to no sustained interest in the histories of alternative exhibitions single artwork solo artist artist mounted entrepreneurial privately funded ephemeral etc with the notable exception of those publications that deal with situations involving major artists or those who would become so for example J L David s exhibition of Intervention of the Sabine Women 1799 and The First Impressionist Exhibition of 1874 despite the fact that these sorts of exhibitions and critical scholarship about them have become commonplace and no less important in the contemporary art world The present volume uses and contextualizes eleven case studies to advance some overarching themes and commonalities among alternative exhibitions in the long modern period from the late eighteenth to the late twentieth centuries and beyond These include the issue of control in the interrelation and elision of the roles of artist and curator and the relationship of such alternative exhibitions to the dominant modes structures of display and cultural ideology **A**

Reluctant Memoir Robert Ballagh, 2018-09-20 A fiercely honest and unvarnished autobiography from Ireland s most successful and controversial living artist Making his name as a Pop artist in the late 1960s and 70s Robert Ballagh quickly achieved an international reputation With little formal artistic training he triumphed in his field despite often formidable hostility His work was also strikingly topical and political playing with classic images by Goya or Delacroix to express outrage about the situation in Northern Ireland But it is his series of realistic portraits of writers politicians and fellow artists often searingly inquisitive and moving in equal measure that have won him lasting fame His subjects include Brian Friel Seamus Heaney Samuel Beckett James Watson Francis Crick Harold Pinter and Fidel Castro And his remarkable self portraits unsparingly document the process of his own ageing This memoir is also a story of Ireland over the past sixty years its violence hypocrisy and immobility as well as its creativity and generosity **Art and the Nation State** Róisín

Identity and John Wesley Peter S. Forsaith, 2017-08-18 The face of John Wesley 1703 91 the Methodist leader became one of the most familiar images in the English speaking and transatlantic worlds through the late eighteenth and nineteenth centuries After the dozen or so painted portraits made during his lifetime came numbers of posthumous portraits and moralising scene paintings and hundreds of variations of prints It was calculated that six million copies were produced of one print alone an 1827 portrait by John Jackson R A as frontispiece for a hymn book Illustrated by nearly one hundred images many in colour with a comprehensive appendix listing known Wesley images this book offers a much needed comprehensive

and critical survey of one of the most influential religious and public figures of eighteenth century Britain Besides chapters on portraits from the life and after scene paintings and prints it explores aspects of Wesley s and Methodism s attitudes to art and the personality cult which gathered around Wesley as Methodism expanded globally It will be of interest to art historians as a treatment of an individual sitter and subject as well as to scholars engaged in Wesley and Methodist studies It is also significant for the field of material studies given the spread and use of the image on artefacts as well as on paper A
