Nursery Rhymes for Old Farts Cam Harlan, Mary Harlan, 2004-01-01 Many amusing memories Without Frontiers:
The Life & Music of Peter Gabriel Daryl Easlea, 2018-03-23 He became famous with Genesis but simply to call Peter Gabriel a pop star would be to sell him very short indeed Peter Gabriel has pursued several overlapping careers neither becoming a parody of his past self nor self consciously seeking new images he instead took his creativeness and perfectionism into fresh fields In 1975 he diversified into film soundtracks and audio visual ventures while engaging in tireless charity work and supporting major peace initiatives He has also become world music s most illustrious champion since launching WOMAD festival These and several other careers make writing Peter Gabriel s biography an unusually challenging task but Daryl Easlea has undertaken countless hours of interviews with key friends musicians aides and confidants Updated and revised for 2018 Without Frontiers gets to the heart of the psychological threads common to so many of Gabriel s disparate endeavours and in the end a picture emerges an extraordinary picture of an extraordinary man Extra features include integrated Spotify playlists charting the best of Genesis output with Peter Gabriel as well as an interactive digital timeline of his life filled with pictures and videos of live performances interviews and more The peculiar white lipped dynamic between Gabriel and his erstwhile Charterhouse chums in Genesis is vividly evoked Record Collector A truly wonderful biography of one of the most amazing artists of our time Highly recommended Douglas Harr author of Rockin the City of Angels *Outrageous* Kliph Nesteroff, 2023-11-28 From the preeminent historian of comedy an expansive history of show business and the battles over culture that have echoed through the decades and changed the United States Outrageous is required reading An essential book of the social history of the United States with laughs Steve Martin There is a common belief that we live in unprecedented times that nobody got offended in the past that people are simply too sensitive today that racism and sexism were once widely accepted without objection The truth is precisely the opposite With every step of our cultural history minorities have pushed back against racist portrayals women have fought for respect and people have sought to change the world of entertainment and beyond through a combination of censorship advocacy or protest Likewise opposing forces have sought to sway public opinion and shape culture through violence and political and economic pressure Kliph Nesteroff author of The Comedians and We Had a Little Real Estate Problem presents a deep dive into the history of show business and illustrates both how our world has changed and how the fierce battlegrounds of today are reflected in our past Outrageous is a crucial and timeless book filled with surprising details remarkable anecdotes and unforgettable characters including figures we think we know such as Mae West Roscoe Fatty Arbuckle and Stan Laurel who tried to bury his wife alive but still wasn t cancelled and others readers may never have heard of **The Bayou Katt Murders** Ronald V. Micci, 2017-03-11 In this sequel to Coyote Horny Katt Hall returns to her ancestral Baton Rouge roots to learn that her first husband is killing off her old high school boyfriends one by one But no one man can possess this voluptuous Southern beauty whose male admirers

are legion But the killer remains stubbornly elusive as the police launch a manhunt and the Big Katt may very well be forced to take matters into her own hands

Syd Barrett & Pink Floyd Julian Palacios, 2015-06-29 Syd Barrett was an English composer and purveyor of some of the most intriguing music ever written Famous before his twentieth birthday Barrett led the charge of psychedelia onstage at London's famed UFO club With a Fender Telecaster and a primitive Binson echo unit Barrett liberated the guitar from being in critic Simon Reynolds' words a riff machine and turned it into a texture and timbre generator His inspired celestial flights of improvisation and his more structured and whimsical short songs indicated a mind of unusual inventiveness Chief in Barrett's mind was a Zen-like insistence on spontaneity each performance had to be unique and Barrett strived to push his music farther and farther out into the zone of complete abstraction This in-depth analysis of Pink Floyd founding member Syd Barrett's life and work is the product of years of extensive research *Lost in the Woods* traces Syd's swift evolution from precocious young art student to acid-fuelled psychedelic rock star and examines the myriad musical and literary influences that he utilised in composing his hypnotic groundbreaking songs A never-forgotten casualty of the excesses, innovations and idealism of the 1960s Syd Barrett is one of the most heavily mythologized men in rock and *Lost in the Woods* offers a rare portrayal of a unique spirit in freefall

The Biker Meets His Match Jo-Ann Carson, 2020-10-20 How could a dead guy be so sexy When Charlene Walker a tattoo artist with a sweet tooth for bad boys starts a boycott of the haunted teahouse in a small west coast town no one alive or dead is safe One way or another she intends to stop the haunting of her brother Biker ghost Rufus has no idea what he's up against Her saucy personality makes him feel alive not to mention her provocative tattoos and every inch of her body hidden beneath Pulled into her web he finds himself confessing to more than the ace up his sleeve that got him killed and he struggles with feelings he never imagined having Adding to their epic heat is the mischievous charm of a resident pirate ghost and the twisted intentions of a human trafficker from Charlie's past What happens when you mix an ink slinger with attitude a cheating gambler a playful pirate and an evil creep Another Gambling Ghost story

Baba Yaga Andreas Johns, 2004 Baba Yaga is a well-known witch from the folklore tradition of Russia Ukraine and Belarus A fascinating and colorful character she resembles witches of other traditions but is in many ways unique Living in the forest in a hut that stands and moves on chicken legs she travels in a mortar with a pestle and sweeps away her tracks with a broom In some tales she tries to harm the protagonist while in others she is helpful This book investigates the image and ambiguity of Baba Yaga in detail and considers the meanings she has for East Slavic culture Providing a broad survey of folktales and other sources it is the most thorough study of Baba Yaga yet published and will be of interest to students of anthropology
