

Nursing Home Federal Requirements: Guidelines to Surveyors and Survey Protocols

Allen's Nursing Home Federal Requirements, now updated and revised in a user-friendly Eighth Edition, is a vital nursing home administration text. Without exaggeration, it can be called the bible of federal nursing home requirements.- Christopher Cherney, San Jose State University Darlene Yee-Melichar, Professor of Gerontology, San Francisco State University Educational Gerontology[The book] lists all the federal requirements that are evaluated by state surveyors during the annual survey visit to nursing homes and for complaint visits. The exhibit section contains forms used by surveyors to gather data during the survey visit. Visually, the format makes the regulations easy to read. If nursing home staff used the book to prepare for a survey, they would be well prepared.-Marcia Flesner, PhD, RN, MHCA University of Missouri-Columbia From Doody's Book ReviewsNursing homes are now the most highly regulated environments in the United States, in the service of maximizing the quality of each resident's life. This user-friendly guide has been updated to provide all of the requisite information needed by nursing home staff to prepare for a visit from federal surveyors. It provides the most current federal guidelines and the procedures used by federal surveyors in certifying facilities for participation in Medicare and Medicaid funding. It describes every aspect and service of a nursing home that is subject to inspection and includes the nearly 20% of new requirements established during the past three years, with an emphasis on the new Minimum Data Set 3.0. The guide not only presents
