Britain runs through the north and also strongly connects north with south east with west it s a place of borderlands and limestone of rivers and scars of fells and forces The Pennines called to Anita with a magnetic force although a racist had told her to leave she felt drawn to further explore the area she regards as her home to immerse herself deeply in place Anita s journey through the natural landscapes of the North is one of reclamation a way of saying that this is her land too and she belongs in the UK as a brown woman as much as a white man does Her journey transforms what began as an ugly experience of hate into one offering hope and finding beauty after brutality Anita transforms her personal experience into one of universal resonance offering a call to action to keep walking onwards Every footstep taken is an act of persistence Every word written against the rising tide of hate speech such as this book is an act of resistance **Yorkshire Dales and Moors** Ron Scholes,Martyn Hanks,2000 This book consists principally of short circular walking routes around the various hostels in the Dales the Pennines and on the North Yorkshire Moors It also includes some inter hostel routes including the Herriot Way and the Lower Dales Route The British National Bibliography Arthur James Wells,2006 **Landmark Visitor Guide** **Yorkshire Dales** Ron Scholes,2006-05 This guide provides details of short circular walking routes around the Yorkshire Dales including the Herriot Way and the Lower Dales Route Information on local amenities attractions and accommodation is also included Bus Preservation & Rallies Malcolm Batten,2023-06-30 The preservation of our transport heritage is something that the British excel at The Buses magazine Museum Rally Guide 2020 21 lists forty museums in the United Kingdom plus one in the Republic of Ireland with collections of buses and sometimes trams or trolleybuses amongst their exhibits The rally calendar section lists hundreds of events taking part every year This has all developed since the 1950s Prior to this a few far sighted companies such as The London General Omnibus Company later London Transport had put aside some old vehicles but they were not on regular display Private preservation started in the 1950s and the first clubs for preservationists were established such as the Historic Commercial Vehicle Club in 1958 A few early events were held but the first regular event was the HCVC now HCVS London to Brighton Run which began in 1962 and has continued ever since Museum sites were established in the 1960s The Museum of British Transport opened in stages between 1961 and 1963 and would lead eventually to the London Transport Museum The East Anglian Transport Museum at Carlton Colville and the Sandtoft Transport Centre both opened in the 1960s But it would be the 1970s when the rallies and Open Days we know today really began to take off This book looks back at the formative years to 1980 when the seeds of the preservation and rally movement of today were being sown **Urbanism** David Rudlin,Rob Thompson,Sarah Jarvis,2016-11-10 The Academy of Urbanism was founded in 2006 with a mission to recognise encourage and celebrate great places across the UK Europe and beyond and the people and organisations that create and sustain them This book is a compendium of seventy five places that have been shortlisted as part of the Academy s annual awards scheme which covers great Places Streets Neighbourhoods Towns and Cities Included are 75 places shortlisted between 2009 and 2013 Each has been visited by a
