## **Rostropovich At Aldeburgh:**

**Rostropovich at Aldeburgh** John Matthias, 1979      The Travel Diaries of Peter Pears, 1936-1978 Peter Pears, 1995

PETER PEARS's reputation as an outstanding and distinctive tenor is grounded in his interpretations of Benjamin Britten's works; their partnership of thirty years significantly shaped and defined musical developments not only in England but on a broader plane. Throughout their busy professional lives they travelled extensively on concert tours and on holiday finding fresh stimulus in change. Pears's twelve travel diaries brought together in this volume record much of that travel and provide valuable contextual material on the musical development of both Pears and Britten. The first diary dates from 1936, the year before his friendship with Britten began when he went on tour to North America with the New English Singers. Other diaries record the five-month tour to the Far East and the important encounters, especially for Britten, with the gamelan music of Bali and the Japanese Noh theatre; visits to Russia as guests of Mstislav Rostropovich and his wife Galina Vishnevskaya where they met significant figures from Russian musical life; and attendance at the Ansbach Bach Festival when Pears was at the height of his career. Also recorded are holidays in the Caribbean and Italy; a concert tour through the north of England; and accounts of the rehearsals and performances of the New York premieres of *Billy Budd* and *Death in Venice*.

**Britten, Voice and Piano** Graham Johnson, 2017-10-03 This collection of eight lectures by internationally acclaimed pianist Graham Johnson is based on a series of concert talks given at the Guildhall School of Music and Drama as part of the Benjamin Britten festival in 2001. The focus of the book is on Britten's songs, starting with his earliest compositions in the genre. Graham Johnson suggests that the nature of Britten's creativity is especially apparent in his setting of poetry; that he becomes the poet's alter ego. A chapter on Britten's settings of Auden and Eliot explores the particular influences these writers brought to bear at opposite poles of the composer's life. The inspiration of fellow musicians is also discussed, with a chapter devoted to Britten's time in Russia and his friendship with the Rostropovich family. Closer to home, the book places in context Britten's folksong settings, illustrating how he subverted the English folksong tradition by refusing to accept previous definitions of what constituted national loyalty. Drawing on letters and diaries and featuring a number of previously unpublished photographs, this book illuminates aspects of Britten's songs from the personal perspective of the pianist who worked closely with Peter Pears after Benjamin Britten was unable to perform through illness. Johnson worked with Pears on learning the role of Aschenbach in *Death in Venice* and was official pianist for the first master class given by Peter Pears at Snape in 1972.

**Shostakovich: A Life Remembered** Elizabeth Wilson, 2011-03-03 *Shostakovich: A Life Remembered* is a unique study of the great composer drawn from the reminiscences and reflections of his contemporaries. Elizabeth Wilson sheds light on the composer's creative process and his working life in music and examines the enormous and enduring influence that Shostakovich has had on Soviet musical life. The one indispensable book about the composer. *New York Times*

**Companion to Benjamin Britten** Mervyn Cooke, 1999-06-28 The Cambridge Companion to Benjamin Britten is a comprehensive guide to the composer's work aimed both at the non specialist and music student. It sheds light on both the composer's stylistic and personal development offering new interpretations of his operatic works and discussing his characteristic working methods. Topics treated here in detail for the first time include Britten's work in the cinema in the 1930s, his lifelong pacifism and his strong interest in the music of the Far East. Other chapters include reassessments of his relationship with W. H. Auden and his attitude towards childhood, comprehensive analyses of major works and a concise history of the Aldeburgh Festival. A distinguished team of contributors include some who worked with the composer during his lifetime as well as leading representatives of the younger generation of Britten scholars on both sides of the Atlantic.

Britten David Matthews, 2013-10-15 Benjamin Britten was one of the outstanding British composers of the 20th century. He shot to international fame with his operas performed by his own English Opera Group and a series of extraordinary instrumental works. His music won a central place in the repertoire and the affection of successive generations of listeners. David Matthews brings to this biography his special insight as a fellow composer, former assistant and life long friend of Britten to produce a uniquely personal, sensitive and authoritative account. **Benjamin Britten** Paul Kildea, 2013-01-28 Published to mark the beginning of the Britten centenary year in 2013, Paul Kildea's *Benjamin Britten: A Life in the Twentieth Century* is the definitive biography of Britain's greatest modern composer. In the eyes of many, Benjamin Britten was our finest composer since Purcell, a figure who often inspired him three hundred years earlier. He broke decisively with the romantic nationalist school of figures such as Parry, Elgar and Vaughan Williams and recreated English music in a fresh, modern European form. With *Peter Grimes* 1945, *Billy Budd* 1951 and *The Turn of the Screw* 1954, he arguably composed the last operas from any composer in any country which have entered both the popular consciousness and the musical canon. He did all this while carrying two disadvantages to worldly success: his passionately held pacifism which made him suspect to the authorities during and immediately after the Second World War, and his homosexuality, specifically his forty year relationship with Peter Pears for whom many of his greatest operatic roles and vocal works were created. The atmosphere and personalities of Aldeburgh in his native Suffolk also form another wonderful dimension to the book. Kildea shows clearly how Britten made this creative community, notably with the foundation of the Aldeburgh Festival and the building of Snape Maltings, but also how costly the determination that this required was. Above all, this book helps us understand the relationship of Britten's music to his life and takes us as far into his creative process as we are ever likely to go. Kildea reads dozens of Britten's works with enormous intelligence and sensitivity in a way which those without formal musical training can understand. It is one of the most moving and enjoyable biographies of a creative artist of any kind to have appeared for years. Paul Kildea is a writer and conductor who has performed many of the Britten works; he writes about in opera houses and concert halls from Sydney to Hamburg. His previous books include *Selling Britten* 2002 and as editor *Britten on Music*.
