Dolan,2000 No Sacred Cows David G. McAfee,Yvette d'Entremont,2017-08-22 While belief in religious supernatural claims is waning throughout the West evidence suggests belief in nonreligious supernatural claims is on the rise What explains this contradiction How can a society with a falling belief in God have a rising belief in ghosts psychic powers ancient astronauts and other supernatural or pseudo scientific phenomena Taking the same anthropological approach he employed in his notable studies of religion atheist author and activist David G McAfee turns his attention to nonreligious faith based claims Whether going undercover as a medium getting tested at Scientology headquarters in Los Angeles or interviewing celebrity paranormalists and famous skeptics he leaves no stone unturned in his investigation As in the case of religion he finds an unwillingness among believers to critically examine their most closely held convictions Only once individuals honestly assess their own sacred cows will they be able to ensure that their beliefs conform to the known facts and that our decisions as a society are based on the best available evidence **Popular Science** ,1997-06 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better Crash Into Me Robyn Burnett,2002-10 An

Buchman Ph.D. moderator for the Citizen Hearing on Disclosure Two of the world's leading investigators declare definitively that the Roswell Incident happened and present their closing arguments For more than seventy years the crash at Roswell and its ensuing controversies and cover ups have been investigated Yet despite continually mounting evidence there are still disbelievers Roswell The Ultimate Cold Case is Carey and Schmitt's final and commanding word on the case in which they declare victory once and for all The government has changed their official story on Roswell more than a dozen times but the witnesses have not recanted The evidence has not gone away And won't go away The Roswell Incident is the most hotly debated and investigated UFO crash in history with seemingly endless evidence and eyewitnesses coming forward even years later Finally late in life people feel safe enough or feel duty bound to reveal what they know saw and heard Roswell The Ultimate Cold Case will bring all new exclusive eye witness testimonies to light as well as cover the Connection of astronauts Edgar Mitchell and Neil Armstrong to Roswell Connection of Clinton Carter Goldwater Schiff and Richardson to Roswell First time artist conception of impact site with craft and bodies based on firsthand testimony First time full size model of crash survivor based on eyewitness testimony And more eyewitness corroboration There is no one on this planet who knows more about the Roswell incident than these two guys Larry Landsman director of special projects for the Syfy Channel **What Really Happened in Roswell?** Kathleen Krull, 2003-06-03 Looks into the 1947 crash in New Mexico of an object which many people believe was an alien spacecraft providing reports of what people claim to have seen and the government cover up that followed **The Roswell UFO Crash** Kal K. Korff, 2000-03-07 Spaceship Aliens Cover up or Hoax What Really Happened at Roswell New witnesses New evidence A shocking conclusion Did an extraterrestrial spacecraft really crash in the New Mexico desert in 1947 Were alien bodies found and if so was there a secret autopsy Are the recent Art Bell revelations true For fifty years the mysteries of Roswell have tantalized the public Now UFO and paranormal researcher Kal K. Korff reveals the real story Through his exclusive access to military records previously classified material and real eyewitnesses he explodes the lies and lays bare the truth The result is a revelation powerful enough to change public opinion forever Find out about The actual objects found

at the crash site including real life photos New disturbing information about Roswell eyewitness Maj Jesse Marcel The original flying disc newspaper story reprinted in its entirety and who killed it The startling analysis of spacecraft fragments sent anonymously to Art Bell Aliens at Roswell Were bodies found Did any survive What experts now say about the autopsy film The real Air Force cover up the whole truth for the first time *Cover-Up at Roswell* Donald Schmitt,2025-09-12 As we approach the 70th anniversary of the most significant UFO event of all time best selling author Donald R Schmitt takes a fresh look at the renowned incident Previous books on Roswell including his have focused on the witnesses their families and the history of the case Cover Up at Roswell catalogs the extreme measures the U S government exercised to suppress the truth How they silenced military witnesses clearly demonstrates their need to prevent the facts from leaking out But more disconcerting are the tactics used against civilians and the media Over the years the government has actually issued four different explanations for what took place in 1947 yet Roswell remains a mystery shrouded in secrecy cover ups and deception Is a fifth explanation at hand Cover Up at Roswell includes fascinating new information such as The most comprehensive timeline of events ever written What the base commander s secretary confessed The answers to the 20 most frequently asked questions about Roswell The Roswell smoking gun provided by one of the very arbiters of the cover up The search for the truth about Roswell continues Are we brave enough to accept it *Body Snatchers in the Desert* Nick Redfern,2005-06-21 Body Snatchers in the Desert reveals the events that really happened in the New Mexico desert in 1947 that birthed the Rosewell Myth RAAF captures flying saucer on ranch in Roswell region Ever since this provocative headline appeared on July 8 1947 conspiracy theorists have sincerely believed that the U S government has maintained an extensive operation of cover up and denial regarding its knowledge of alien life But there was in fact no UFO crash with dead alien bodies What really happened on that fateful day is much more sinister The persistent rumors surrounding the UFO crash in Roswell New Mexico are part of a bigger conspiracy one orchestrated and fostered by the government itself as a smokescreen to bury a truth that is much darker and disturbingly far more believable Now through never before revealed testimony from military whistleblowers eyewitness intelligence reports and an astonishing body of corroborative evidence Nick Redfern lays out a shockingly plausible new theory on the Roswell incident that the crash site discovery of prototype military aircraft would expose a damning secret a highly confidential U S government sanctioned program to conduct medical experiments on deformed handicapped disfigured and diseased Japanese POWs exploited as expendable victims by their captors An important account that forces us to take a closer look at both the Roswell story and post war American history Body Snatchers in the Desert casts a startling new light on a shocking conspiracy more than half a century in the making *The Roswell Report: Case Closed* James McAndrew,2023-11-21 In The Roswell Report Case Closed James McAndrew meticulously examines one of the most controversial events in UFO history the alleged crash of an unidentified flying object in Roswell New Mexico in 1947 Through a rigorous analysis of declassified documents eyewitness testimonies

and military records McAndrew adopts a methodical and analytical literary style eschewing sensationalism in favor of grounded examination The book situates itself within the broader context of Cold War era paranoia and the evolving public perception of extraterrestrial phenomena ultimately positing a resolution to the enduring mysteries surrounding Roswell James McAndrew a former U S Air Force officer turned author and researcher is uniquely positioned to explore this enigmatic case His background in the military and his expertise in investigation provide credibility to his claims and insights Drawing on his experience McAndrew seeks to demystify the Roswell incident reflecting a profound interest in how mythology and media can shape historical narratives This book is essential for readers intrigued by UFO lore conspiracy theories and the intersection of military history and popular culture McAndrew s clear eyed analysis not only offers closure to a divisive topic but also invites readers to reflect on the nature of truth in the age of information *The Roswell UFO Mystery* Craig Boutland,2019-08-01 Roswell New Mexico is the location of several well known UFO sightings Historical evidence theories photographs and more will aid readers as they explore the answers that might explain the mysterious flying objects Roswell Charles River Charles River Editors,Marshall Whitehurst,2018-01-20 Includes pictures Discusses the facts the official account and the conspiracy theories Includes online resources and a bibliography for further reading Includes a table of contents The many rumors regarding the flying disc became a reality yesterday when the intelligence office of the 509th Bomb group of the Eighth Air Force Roswell Army Air Field was fortunate enough to gain possession of a disc through the cooperation of one of the local ranchers and the sheriff s office of Chaves County The flying object landed on a ranch near Roswell sometime last week Not having phone facilities the rancher stored the disc until such time as he was able to contact the sheriff s office who in turn notified Maj Jesse A Marcel of the 509th Bomb Group Intelligence Office Action was immediately taken and the disc was picked up at the rancher s home It was inspected at the Roswell Army Air Field and subsequently loaned by Major Marcel to higher headquarters A press release issued by the Roswell Army Air Field July 8 1947 Few things in American history are as controversial as Roswell The one undeniable fact is that something happened near Roswell New Mexico in 1947 but beyond that the facts become murky as memories and evidence lose their luster over the years That said the impact of an unidentified object continues to mystify residents visitors and the curious and it has not only put Roswell on the map but has kept it there for thousands of tourists While much of the information disseminated has been in the form of press releases published in newspapers the FBI eventually relented and released their records involving the Roswell crash In 2011 more than 2 000 individual documents about this event were scanned and published as the digital project The Vault part of nearly 7 000 items on various subjects in the Freedom of Information Act s Library Nonetheless skepticism about the official version of the incident prevails and a countless number of people continue to believe the American government covered up a crash landing by aliens As John B Alexander Ph D a former project manager at the Los Alamos National Laboratory and consultant to the CIA put it Attempting to come to any complete resolution of the incident is

a fool's errand as whatever the truth may have been has become so distorted over time that facts have merged inextricably with fiction. But fools did abound. The FBI and anyone else who might have archived top secret memos, reports, or even newspaper clippings were barraged for years with Freedom of Information requests. When the FBI finally complied with thousands and thousands of pages freely disseminated online, they were still accused of withholding or altering the facts. Roswell: The History of America's Most Famous UFO Incident chronicles the controversial crash. Along with pictures of important people, places, and events, you will learn about Roswell like never before in no time at all. **The 1947 UFO Crash at Roswell.** Pat Dwyer, 2024-12-25.
