## **Rough Cider:**

*Cider, Hard and Sweet: History, Traditions, and Making Your Own (Third Edition)* Ben Watson, 2013-09-02 In this richly informative and entertaining book Ben Watson explores the cultural and historical roots of cider. He introduces us to its different styles: draft, farmhouse, French, New England, and sparkling, and also covers other apple products like apple wine, apple juice, cider vinegar, and Calvados. Cider is the new thing in today's drinking world, even though it's been around for centuries. In spite of its long and colorful history, cider has remained relatively underappreciated by the American public. The purchase in 2012 of a Vermont-based cidemaker for over 300 million signaled that this is all likely to change very soon. Richly informative and entertaining, *Cider, Hard and Sweet* is your go-to source for everything related to apples, cider, and cidemaking. It includes great information on apple varieties, cidemaking basics, barrel fermentation, and recipes for cooking with cider, with instructions for making boiled cider and cider jelly, and recipes for dishes with cider braises and marinades. It also teaches readers how to recognize a good cider and takes you from buying store-bought to making the genuine article at home.

***Cider, Hard and Sweet: History, Traditions, and Making Your Own (Second Edition)*** Ben Watson, 2011-05-01 A fully updated and expanded primer for anyone who wants to make cider and for those who just like to drink it. With the rise in consumer demand for local foods and local food products and the emergence of more small craft food and beverage producers since this book was originally published in 2000, this revised edition of *Cider, Hard and Sweet* comes at the right time. Watson's expanded the section on the history of cider to chronicle lesser-known cider producers such as those in Spain and Asia, broadened the selection of North American cider varieties and European cider apple varieties, provided new cidemaking basics tailored to beginner and intermediate cidemakers with special attention to the new cidemaking equipment available, added new recipes for cooking with cider from notable chefs and bartenders, and added a new chapter about the recent popularity of perry pear cider available for purchase today.

*Cider* Lew Nichols, Annie Proulx, 2025-04-08 Discover the pleasures of making and drinking cider. From choosing the right apples through reaping the liquid rewards of a successful pressing, this classic guide has you covered. With detailed drawings of cider-making equipment, methods, and set up, even a novice juicer will enjoy sweet and spicy gallons in no time. Annie Proulx and Lew Nichols provide insightful, time-tested advice enlivened by a smattering of historical anecdotes. Whether you like your cider sweet or hard, you're sure to find a recipe that satisfies.
