Rough Magic Paul Alexander,1992 The brief meteoric trajectory of the great poet who committed suicide at the age of 30 in 1963 is mined for its troubles and tragedies with scarcely any attention to the brilliant burning poetry Annotation copyrighted by Book News Inc Portland OR *Rough Magic* Paul Alexander,2003 Rough Magic Paul Alexander,2003-09-18 Since her suicide at age thirty Sylvia Plath 1932 1963 has been celebrated for her impeccable and ruthless poetry *Rough Magic* probes the events of Plath s life including her turbulent marriage to the poet Ted Hughes

Sylvia Plath Elisabeth Bronfen,2004 Elisabeth Bronfen examines Sylvia Plath s poetry her novel *The Bell Jar* her shorter fiction as well as her autobiographical texts in the context of the resilient Plath Legend that has grown since her suicide in 1963 *Ideology in the Poetry of Sylvia Plath* Ikram Hili,2021-06-29 With its distinctive poetic forms and themes Sylvia Plath s poetry patently epitomizes her personal and artistic struggle as a woman writer to be part of a largely male dominated canon In *Ideology in the Poetry of Sylvia Plath* From Manuscript to Published Poem Ikram Hili examines the difficulties that Plath encountered while drafting her poems as she wrestled with what to reveal to or conceal from the reading public a literary exertion that is even more visible when studying the poet s manuscripts of published and unpublished poems While examining the influence of ideology on Plath s poetics Hili traces different stages of the poet s literary journey as she moves from restriction repression and containment towards a liberating phase during which she carves out her own body of writing Detaching herself from the rigid crippling formalism of her earlier years Plath confronts her own indecisiveness as a poet cleans up her messy drafts and embarks on an aesthetic healing process The literary body that she aims to construct is no longer confined within the great writing tradition that she once perceived as predominantly male nor is it perfect It is a perfected body the result of a process into which Plath s captivated readers have also entered

fresh kaleidoscopic view of the writer emerges **Towards a Poetics of Literary Biography** Michael Benton, 2015-09-01 Drawing upon a wide range of biographies of literary subjects from Shakespeare and Wordsworth to William Golding and V S Naipaul this book develops a poetics of literary biography based on the triangular relationships of lives works and times and how narrative operates in holding them together Biography is seen as a hybrid genre in which historical and fictional elements are imaginatively combined It considers the roles of story telling factual data in the art of life writing and the literariness of its language It includes a case study of the biography of Ellen Terry discussion of the controversial relationship between a subject s life and works biographical criticism and through the issue of gender the social and cultural changes biographies reflect It frames a poetics on the basis of its strategy and tactics and demonstrates how the literal truth of verifiable data and the poetic truth of what is narrated are interdependent **The First Book** Jesse Zuba, 2025-07-15 An illuminating look at the poetic debut in twentieth century American literary culture We have many poets of the First Book the poet and critic Louis Simpson remarked in 1957 describing a sense that the debut poetry collection not only launched the contemporary poetic career but also had come to define it Surveying American poetry over the past hundred years The First Book explores the emergence of the poetic debut as a unique literary production with its own tradition conventions and dynamic role in the literary market Through new readings of poets ranging from Wallace Stevens and Marianne Moore to John Ashbery and Louise Glück Jesse Zuba illuminates the importance of the first book in twentieth century American literary culture which involved complex struggles for legitimacy on the part of poets critics and publishers alike Zuba investigates poets diverse responses to the question of how to launch a career in an increasingly professionalized literary scene that threatened the authenticity of the poetic calling He shows how modernist debuts evoke markedly idiosyncratic paths while postwar first books evoke trajectories that balance professional imperatives with traditional literary ideals Debut titles ranging from Simpson s *The Arrivistes* to Ken Chen s *Juvenilia* stress the strikingly pervasive theme of beginning accommodating a new demand for career development even as it distances the poets from that demand Combining literary analysis with cultural history The First Book will interest scholars and students of twentieth century literature as well as readers and writers of poetry **An Emotional History of the United States** Peter N. Stearns, Jan Lewis, 1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark

anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions

Trainwreck Sady Doyle, 2017-08-29 Smart compelling persuasive New York Times Book Review She s everywhere once you start looking the trainwreck She s Britney Spears shaving her head Whitney Houston saying crack is whack and Amy Winehouse dying in front of millions But the trainwreck is also as old and as meaningful as feminism itself From Mary Wollstonecraft who for decades after her death was more famous for her illegitimate child and suicide attempts than for A Vindication of the Rights of Woman to Charlotte Bront Billie Holiday Sylvia Plath and even Hillary Clinton Sady Doyle s *Trainwreck* dissects a centuries old phenomenon and asks what it means now in a time when we have unprecedented access to celebrities and civilians alike and when women are pushing harder than ever against the boundaries of what it means to behave Where did these women come from What are their crimes And what does it mean for the rest of us For an age when any form of self expression can be the one that ends you Doyle s book is as fierce and intelligent as it is funny and compassionate an essential timely feminist anatomy of the female trainwreck

Mother Is a Verb Sarah Knott, 2019-04-02 Welcome to a work of history unlike any other Mothering is as old as human existence But how has this most essential experience changed over time and cultures What is the history of maternity the history of pregnancy birth the encounter with an infant Can one capture the historical trail of mothers How In *Mother Is a Verb* the historian Sarah Knott creates a genre all her own in order to craft a new kind of historical interpretation Blending memoir and history and building from anecdote her book brings the past and the present viscerally alive It is at once intimate and expansive lyrical and precise As a history *Mother Is a Verb* draws on the terrain of Britain and North America from the seventeenth century to the close of the twentieth Knott searches among a range of past societies from those of Cree and Ojibwe women to tenant farmers in Appalachia from enslaved people on South Carolina rice plantations to tenement dwellers in New York City and London s East End She pores over diaries letters court records medical manuals items of clothing And she explores and documents her own experiences As a memoir *Mother Is a Verb* becomes a method of asking new questions and probing lost pasts in order to historicize the smallest even the most mundane of human experiences Is there a history to interruption to the sound of an infant s cry to sleeplessness Knott finds answers not through the telling of grand narratives but through the painstaking accumulation of a trellis of anecdotes And all the while we can feel the child on her hip

Butterfly in the Typewriter Cory MacLauchlin, 2025-05-01 The saga of John Kennedy Toole is one of the greatest stories of American literary history After writing *A Confederacy of Dunces* Toole corresponded with Robert Gottlieb of Simon Schuster for two years Exhausted from Gottlieb's suggested revisions Toole declared the publication of the manuscript hopeless and stored it in a box Years later he suffered a mental breakdown took a two month journey across the United States and finally committed suicide on an inconspicuous road outside of Biloxi Following the funeral Toole's mother discovered the manuscript After many rejections she cornered Walker Percy who found it a brilliant novel and spearheaded its publication In 1981 twelve years after the author's death *A Confederacy of Dunces* won the Pulitzer Prize In *Butterfly in the Typewriter* Cory MacLauchlin draws on scores of new interviews with friends family and colleagues as well as full access to the extensive Toole archive at Tulane University capturing his upbringing in New Orleans his years in New York City his frenzy of writing in Puerto Rico his return to his beloved city and his descent into paranoia and depression *The Other Sylvia Plath* Tracy Brain, 2014-07-22 Despite being widely studied on both undergraduate and postgraduate courses the writing of Sylvia Plath has been relatively neglected in relation to the attention given to her life and what drove her to suicide Tracy Brain aims to remedy this by introducing completely new approaches to Plath's writing taking the studies away from the familiar concentration to reveal that Plath as a writer was concerned with a much wider range of important cultural and political topics Unlike most of the existing literary criticism it shifts the focus away from biographical readings and encompasses the full range of Plath's poetry prose journals and letters using a variety of critical methods *Between the Sheets* Lesley McDowell, 2012-02-28 The literary critic examines the love lives and career ambitions of some of the twentieth century's greatest female authors from Sylvia Plath to Anaïs Nin Why did a gifted writer like Sylvia Plath stumble into a marriage that drove her to suicide Why did Hilda Doolittle H D want to marry Ezra Pound when she was far more attracted to women Why did Simone de Beauvoir pimp for Jean Paul Sartre In *Between the Sheets* author and feminist scholar Lesley McDowell examines nine famously troubled literary romances to arrive at a provocative insight into the motivations of these and other great female writers The list of the damages done in each of these sexual relationships is long but each provokes the same question would these women have become the writers they became without these relationships Delving into their diaries letters and journals McDowell examines the extent to which each woman was prepared to put artistic ambition before

personal happiness and how dependent on their male writing partners they felt themselves to be McDowell has culled incredibly juicy details With so many affairs and broken hearts the most surprising thing may be that anything got written in the last 100 years The New York Times Book Review **The Last Physician** Carl Elliott, John D.
