## **Roughneck The Life And Times Of Big Bill Haywood:**

Roughneck Peter Carlson,1984-12-01      **Labor Leaders in America** Melvyn Dubofsky,Warren R. Van Tine,1987 Here are the life stories of the men and women who have led the labor movement in America from Reconstruction to recent times from William H Sylvis the first major labor leader to Cesar Chavez who organized California s farm workers in the 1960s All of the chapters have been written expressly for this volume by leading authorities several of whom are authors of booklength biographies of their subjects Taken together these readable yet authoritative life studies provide a broad overview of the American labor movement that will appeal to the student and lay reader as well as to the specialist in social history and labor and industrial relations      **American Social Leaders and Activists** Neil A. Hamilton,2014-05-14 Profiles more than 285 men and women who fought for social reform and influenced American history      **Famous Assassinations in World History** Michael Newton,2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people s attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual Famous Assassinations in World History An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person s significance discusses the person s assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history      The Bosses' Union Vilja Hulden,2023-01-13 At the opening of the twentieth century labor strife repeatedly racked the nation Union organization and collective bargaining briefly looked like a promising avenue to stability But both employers and many middle class observers remained wary of unions exercising independent power Vilja Hulden reveals how this tension provided the opening for pro business organizations to shift public attention from concerns about inequality and dangerous working conditions to a belief that unions trampled on an individual s right to work Inventing the term closed shop employers mounted what they called an open shop campaign to undermine union demands that workers at unionized workplaces join the union Employer organizations lobbied Congress to resist labor s proposals as tyrannical brought court cases to taint labor s tactics as illegal and influenced newspaper coverage of unions While employers were not a monolith nor all powerful they generally agreed that unions were a nuisance Employers successfully leveraged money and connections to create perceptions of organized labor that still echo

in our discussions of worker rights      *Clarence Darrow* John A. Farrell, 2012-05-01 Winner of the Los Angeles Times Book Prize for Biography The definitive biography of Clarence Darrow the brilliant idiosyncratic lawyer who defended John Scopes in the Monkey Trial and gave voice to the populist masses at the turn of the twentieth century thus changing American law forever Amidst the tumult of the industrial age and the progressive era Clarence Darrow became America's greatest defense attorney successfully championing poor workers blacks and social and political outcasts against big business fundamentalist religion Jim Crow and the US government His courtroom style a mixture of passion improvisation charm and tactical genius won miraculous reprieves for men doomed to hang In Farrell's hands Darrow is a Byronic figure a renegade whose commitment to liberty led him to heroic courtroom battles and legal trickery alike      **Firebrands** Shaun Slifer, Bec Young, 2024-03-12 This illustrated history celebrates American changemakers and revolutionaries that are often left out of public narratives about our shared past These firebrands hail from Canada Chile and everywhere in between from the 1500s to today Instead of focusing on the powerful rich white folks so often featured in textbooks these gorgeous portraits with accompanying biographies recognize the work of grassroots organizers revolutionaries visionaries anarchists workers and artists These heroes put their bodies and souls into fighting injustice and making their communities better and they often gave their lives for the causes they believed in Each story is vividly illustrated by a member of Justseeds Artists Cooperative and offers a radical glimpse into how individuals can work to change the world A new introduction by editor Shaun Slifer launches the third edition of this beloved collection which 15 years later remains a powerful resource for anyone of any age seeking the role models they missed out on in school Firebrands include Frida Kahlo Audre Lorde Sitting Bull Gloria Anzaldua Pablo Neruda Nina Simone Emma Goldman Fred Hampton Buckminster Fuller Paulo Freire W E B Du Bois Sojourner Truth Chico Mendes Tupac Shakur Grace Lee Boggs Muhammad Ali Yuri Kochiyama and many more      *James Connolly, A Full Life* Donal Nevin, 2005-08-30 Hasn't it been a full life Lillie and isn't this a good end were James Connolly's last words to his wife in Dublin Castle in the early hours of 12 May 1916 just before his execution for his part in leading the Easter Rising James Connolly the son of Irish immigrants was born in Edinburgh The first fourteen years of his life were spent in Edinburgh and the next seven years in the King's Liverpool Regiment in Ireland In 1889 he returned to Edinburgh where he was a socialist activist and organiser for seven years In 1896 at the age of 28 he was invited to Dublin as socialist organiser founding the Irish Republican Socialist Party and editing The Workers Republic Connolly spent seven years in America between 1903 and 1910 returning to Ireland in 1910 as organiser of the Socialist Party of Ireland Connolly was appointed Ulster Organiser of the Irish Transport and General Workers Union by James Larkin succeeding him as acting general secretary in October 1914 As Commander of the Irish Citizen Army Connolly joined with leaders of the Irish Republican Brotherhood in the Easter Rising in 1916 becoming Commandant General of the Dublin Division of the Army of the Republic and Vice President of the Provisional Government of the Irish Republic For their part in the Easter Rising Connolly and

thirteen of his fellow revolutionaries were executed in Kilmainham Gaol by the British government Connolly the last to be executed was wounded in the Rising and had to be strapped to a chair to face the firing squad This biography deals with Connolly s activities as soldier agitator propagandist orator socialist organiser pamphleteer trade union leader insurgent and traces the evolution of his political thinking as social democrat revolutionist syndicalist revolutionary socialist insurrectionist It is based largely on Connolly s prolific writings in twenty seven journals in Scotland England Ireland France and America and some 200 letters which are particularly revealing of his relationships with colleagues James Connolly is the very best survey of Connolly s remarkable life and times James Connolly A Full Life Table of Contents Preface by Des Geraghty PART I Edinburgh 1868 1882 PART II Ireland 1882 1889 PART III Edinburgh 1889 1896 Social Democrat PART IV Dublin 1890 1903 Revolutionist PART V America 1903 1910 Syndicalist PART VI Writings PART VII Ireland 1910 1916 The Red and the Green Revolutionary Socialist Insurrectionist PART VIII Revolutionary Thinker APPENDICES      **Hubert Harrison** Brian

Kwoba,2025-06-17 The significance of Hubert Henry Harrison 1883 1927 as a journalist activist and educator lies in his innovation of radical solutions to radical injustices He witnessed staggering luxury for the few alongside crushing poverty for the many White mob violence continually haunted Black communities while imperial conquest and world wars wrought wanton destruction upon entire nations of people These conditions sparked a global political awakening to which Harrison gave voice as a leading figure in cutting edge struggles for socialism internationalism free love freethinking and free speech He did far more than cultivate the rich dark soil in which the so called Harlem Renaissance would take root Harrison also played a pivotal role in the rise of Marcus Garvey and the emergence of the largest international organization of African people in modern history Because of his fearless radicalism however he has been erased from popular memory Hubert Harrison presents a historical restoration of Harrison s numerous intellectual and political breakthroughs Offering a fresh interpretation of his contributions to social movements for economic racial and sexual liberation Brian Kwoba s richly textured narrative highlights the startling and continued relevance of Harrison s visionary thinking across generations

*The A to Z of the Progressive Era* Catherine Cocks,Peter C. Holloran,Alan Lessoff,2009-09-24 The Progressive Era the period in the United States between 1898 and 1917 was a time of great social political and industrial change Following the Spanish American War of 1898 an event that signaled the emergence of the United States as a great power the country soon was involved in its first overseas guerrilla war in the Philippines Vast changes in communications and transportation immigration and migration patterns social mores gender roles family structure class structure work patterns business methods education intellectual life religion the professions technology science medicine and much else were transforming the scope and feel of people s lives and relationships In many ways what happened in this era set the agenda for the rest of the 20th century *The A to Z of the Progressive Era* is the most comprehensive and coherent reference work on the Progressive Era Through its chronology introductory essay bibliography appendixes and hundreds of cross referenced

dictionary entries on the key events people organizations and ideas of the period this resource is a lively complete and accessible overview of this significant era      **Historical Dictionary of the Progressive Era** Catherine Cocks, Peter C. Holloran, Alan Lessoff, 2009-03-13 The Progressive Era the period in the United States between 1898 and 1917 was a time of great social political and industrial change Following the Spanish American War of 1898 an event that signaled the emergence of the United States as a great power the country soon was involved in its first overseas guerrilla war in the Philippines Vast changes in communications and transportation immigration and migration patterns social mores gender roles family structure class structure work patterns business methods education intellectual life religion the professions technology science medicine and much else were transforming the scope and feel of people s lives and relationships In many ways what happened in this era set the agenda for the rest of the 20th century The Historical Dictionary of the Progressive Era is the most comprehensive and coherent reference work on the Progressive Era Through its chronology introductory essay bibliography appendixes and hundreds of cross referenced dictionary entries on the key events people organizations and ideas of the period this resource is a lively complete and accessible overview of this significant era      **American Countercultures: An Encyclopedia of Nonconformists, Alternative Lifestyles, and Radical Ideas in U.S. History** Gina Misiroglu, 2015-03-26 Counterculture while commonly used to describe youth oriented movements during the 1960s refers to any attempt to challenge or change conventional values and practices or the dominant lifestyles of the day This fascinating three volume set explores these movements in America from colonial times to the present in colorful detail American Countercultures is the first reference work to examine the impact of countercultural movements on American social history It highlights the writings recordings and visual works produced by these movements to educate inspire and incite action in all eras of the nation s history A Z entries provide a wealth of information on personalities places events concepts beliefs groups and practices The set includes numerous illustrations a topic finder primary source documents a bibliography and a filmography and an index      **The Fragile Bridge** Steve Golin, 1988 In this full length study of the 1913 Paterson silk strike Steve Golin examines the creative collaboration between the silk workers organizers from the Industrial Workers of the World and Greenwich Village intellectuals Although the strike was defeated this alliance could become a model for the American left because it suggests the possibilities of connecting economic political and cultural struggles Combining perspectives from labor history social history and intellectual history Golin argues that while the silk workers began the 1913 strike and controlled it themselves the IWW helped them create institutions that supported the strike and reinforced its radically democratic character The deadlock in Paterson dictated the need for a bridge to New York that was facilitated by a growing mutual trust between the Wobblies and intellectuals from Greenwich Village At the height of the struggle the IWW and the Village radicals joined the workers in presenting a powerful strike pageant in Madison Square Garden The story of the 1913 silk strike is important because it challenges long held conservative assumptions about labor

history including the elitist role of skilled workers the bureaucratic function of union organization and the irrelevance of intellectuals Although the strikers were ultimately defeated the strike s failure had more damaging consequences for the IWW and the intellectuals than for the workers themselves and Golin views this loss as a major turning point for the American left Author note Steve Golin is Professor of History at Bloomfield College in New Jersey Historic Tales of Utah Eileen Hallet Stone,2016-05-25 From the rugged beauty and refined splendor of this vast state emerges a remarkable volume of personal recollections narrative histories and astonishing stories Explore the fortitude and cultural diversity behind the development of Utah through Big Bill Haywood vilified by the New York Times as the most feared figure in America Experience compelling accounts of women bruised on the front lines of suffrage battles enthralling stories of Chinese paper sons and daughters and heroic endeavors of Northern Ute firefighters Celebrate downtown s Wall Street of the West the off road cyclist known as the Bedouin of the Desert and Utah s love affair with sweets Culled from her popular Salt Lake Tribune Living History column award winning author Eileen Hallet Stone uncovers captivating tales of ordinary people and their extraordinary contributions that shaped Utah history The Radicalization of European Jews in the US Metropolis Frank Jacob,2024-08-19 During the late 19th and early 20th centuries many Jews from Central and Eastern Europe arrived in New York City where they did not only find a new home but far away from their shtetl origin the new members of the American society also began to politically radicalize There has been a discussion in the literature related to the field where how and why the Jewish population radicalized This study analyses two waves of radicalization one related to the American environment that is responsible for the described process at the end of the 19th century one related to the developments in Eastern Europe during the early decades of the 20th century For both radicalization processes this book compares the reasons elements and aims of those who join radical movements to show that there is a transatlantic perspective that links both processes to each other Historical Dictionary from the Great War to the Great Depression Neil A. Wynn,2013-12-16 The period from 1913 to 1933 is not often seen as a coherent entity in the history of the United States It is more often viewed in terms of two distinct periods with the pre war era of political engagement idealism and reform known as progressivism separated by World War I from the materialism conservatism and disengagement of the prosperous 1920s To many postwar observers and later historians the entry of the United States into the European conflict in 1917 marked not just a dramatic departure in foreign relations but also the end of an era of reform This second edition of Historical Dictionary from the Great War to the Great Depression covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about a vital period in U S history **Always on Strike** Arnold Stead,2014-12-15 Though widely recognized as one of the Industrial Workers of the World s leading members and one of its most prominent militants this is

the first book length biography of Frank Little Little's life offers innumerable lessons for working class people facing many of the same economic injustices in today's world Arnold Stead PhD is a poet fiction writer historian playwright and jazz and film critic He lives in Minneapolis Minnesota with his wife and family *Keep the Wretches in Order* Dean Strang, 2019-06-18

Before World War I the government reaction to labor dissent had been local ad hoc and quasi military Sheriffs mayors or governors would deputize strikebreakers or call out the state militia usually at the bidding of employers When the United States entered the conflict in 1917 government and industry feared that strikes would endanger war production a more coordinated national strategy would be necessary To prevent stoppages the Department of Justice embarked on a sweeping new effort replacing gunmen with lawyers The department systematically targeted the nation's most radical and innovative union the Industrial Workers of the World also known as the Wobblies resulting in the largest mass trial in U S history In the first legal history of this federal trial Dean Strang shows how the case laid the groundwork for a fundamentally different strategy to stifle radical threats and had a major role in shaping the modern Justice Department As the trial unfolded it became an exercise of raw force raising serious questions about its legitimacy and revealing the fragility of a criminal justice system under great external pressure *Learning One's Native Tongue* Tracy B. Strong, 2019-11-25

Citizenship is much more than the right to vote It is a collection of political capacities constantly up for debate From Socrates to contemporary American politics the question of what it means to be an authentic citizen is an inherently political one With *Learning One's Native Tongue* Tracy B Strong explores the development of the concept of American citizenship and what it means to belong to this country starting with the Puritans in the seventeenth century and continuing to the present day He examines the conflicts over the meaning of citizenship in the writings and speeches of prominent thinkers and leaders ranging from John Winthrop and Roger Williams to Thomas Jefferson Nathaniel Hawthorne Abraham Lincoln Frederick Douglass and Franklin Roosevelt among many others who have participated in these important cultural and political debates The criteria that define what being a citizen entails change over time and in response to historical developments and they are thus also often the source of controversy and conflict as with voting rights for women and African Americans Strong looks closely at these conflicts and the ensuing changes in the conception of citizenship paying attention to what difference each change makes and what each particular conception entails socially and politically **Encyclopedia of American Social Movements** Immanuel Ness, 2015-07-17

This four volume set examines every social movement in American history from the great struggles for abolition civil rights and women's equality to the more specific quests for prohibition consumer safety unemployment insurance and global justice
