Round Anvil Rock Nancy Huston Banks, 2016-09-01 In weaving a romance round a real rock and through actual events this tale has taken no great liberty with fact It has indeed claimed the freedom of fiction only in drawing certain localities and incidents somewhat closer together than they were in reality And it has done this notably in but three instances by allowing the Wilderness Road to seem nearer the Ohio River than it really was by anticipating the establishment of the Sisters of Charity and by disregarding the tradition that Philip Alston had gone from the region of Cedar House before the time of the story and that he died elsewhere These deviations are all rather slight yet they are nevertheless essential to any faithful description of the country the time and the people which this tale tries to describe The Wilderness Road everywhere came so close to the life of the whole country that no true story of the time can ever be told apart from it The Sisters of Charity were established so early and did so much in the making of Kentucky that a few months earlier in coming to one locality or a few years later in reaching another cannot make their noble work any less vitally a part of every tale of the wilderness The influence of Philip Alston over the country in which he lived lasted so much longer than his life and the precise date and

manner of his death are go uncertain that his romantic career must always remain inseparably interwoven with all the romance of southern Kentucky And it is for these reasons that this story of nearly a hundred years ago has thus claimed a few of the many privileges of fiction *The Bookman* ,1903 *Guide to 100 Peaks at Mount Rainier Park* Mickey Eisenberg,Gene Yore,2014-06-13 There are 100 peaks not counting the Big One located in or immediately adjacent to Mount Rainier National Park and virtually all can be reached in a day Most are scrambles off trail non technical climbing 15 are hikes with a trail to the top and 7 require climbing skills Guide to 100 Peaks at Mount Rainier National Park is a unique guidebook to help you safely reach these amazing peaks Each peak includes driving instructions a detailed route description including different approaches for some peaks and useful vital statistics about the peak The peaks are also grouped by area with suggestions for climbing two or more peaks in a single outing All the peaks are rated by effort and beauty including elevation gain time required and best month to climb Written by mountaineering experts this guide will give you all the information you need to experience the awesome beauty of Mount Rainier National Park *The United States Catalog* ,1904

The American Bookseller ,1904 *The Publishers Weekly* ,1903 **King Solomon's Goat** George Willard Bartlett,2022-06-02 In King Solomon s Goat George Willard Bartlett intricately weaves a narrative steeped in allegory and satirical commentary exploring the interplay of power morality and the human condition Set against a richly detailed landscape reminiscent of biblical tales Bartlett s prose is characterized by its lyrical quality and incisive wit The novel juxtaposes the ancient with the contemporary examining the relevance of age old wisdom in modern governance and societal structures thus inviting readers to reflect on the ethical conundrums that resonate throughout history George Willard Bartlett an accomplished author and philosopher draws on his extensive background in ethics and politics to provide a multi layered narrative in this work His keen observations of human behavior and the often absurd nature of power dynamics serve as vital underpinnings informed by experiences in various cultural contexts This blend of intellectual rigor and creative storytelling positions him as a unique voice capable of critiquing both the past and present with sharp clarity King Solomon s Goat is highly recommended for readers who appreciate literature that challenges prevailing notions while engaging in profound moral inquiry Bartlett s deft characterization and thought provoking themes will captivate readers urging them to ponder the implications of their own beliefs and actions in a world where the lessons of history remain painfully relevant
