Dance a While Anne M. Pittman, Marlys S. Waller, Cathy L. Dark, 2015-04-21 The Tenth Edition of *Dance a While* continues the 65 year legacy of a textbook that has proven to be the standard of all recreational dance resources The authors have poured decades of experience and knowledge onto its pages providing a wealth of direction on American square contra international and social dance Each chapter is packed with expertly written instruction coupled with clear and detailed diagrams and informative history to provide students with well rounded training on over 260 individual dances The book also contains a music CD to allow for convenience when practicing outside of the classroom helping to make it an invaluable resource for students of dance at all levels *A Princess Remembers* Elizabeth Zinovieff, 1997 *Annual Report of the Ohio State Horticultural Society* Ohio State Horticultural Society, 1917 *Declarations of Stock Car Independents* Perry Allen Wood, 2014-01-10 Independent stock car racers rarely won often crashed and flirted with death constantly all for less money and fame than the money backed star drivers of their day This book includes interviews with 12 independent racers including Curtis Crawfish Crider Jackhandle Joe Frasson and Gene The Racing Marine Hobby among others Laying the foundation for stock car racing as we know it most of these racers plied their trade during the sport s early years when racing required little more than a helmet and a great deal of courage Readers will discover how each of these men managed to survive and stand out in their sport despite running on second hand or inferior equipment receiving little to no outside support and in many cases holding down another job off track The book is supplemented with 126 photographs many from the personal collections of the author and the racers **Perilous Wagers** Klaus K. Y. Hammering, 2024-08-15 The lives of the men depicted in *Perilous Wagers* take place in the squalor of Tokyo s old day laborer district San ya where they can be found eking out a living from occasional construction work and welfare handouts permanently displaced from their hometowns to metropolitan Tokyo Although San ya has nearly vanished during the past twenty years its import persists as a black market where its small population of male day laborers can be contracted for the most undesirable of tasks without consideration for their health or safety In this context Hammering s book examines classic ethnographic themes of labor exchange value honor shame temporality desire gender and personhood It explores how one group of day laborers embodied a transgressive masculinity intimately intertwined with honorable mobster values of old and how they created dignity and sociality under abject conditions of life *Perilous Wagers* tracks these underdog values across construction sites non profit organizations hospitals bunkhouses and illegal gambling dens giving imaginative life to a stigmatized forgotten social world *Accordance* Shelly Crane, 2012-04-09 In the sequel to *Significance* Maggie learns much more about all the strange things that have happened to her and has to face many new ones She learns something about herself that she is something that the clans have been

waiting for She rebels against it but ultimately must face it for her new family's sake and maybe even her life Bish went from being her biggest supporter to her biggest pain in the butt and Kyle's intentions to attract her interest may not be so innocent Caleb and Maggie face many new obstacles together as a couple and on their own They fight to work through them but will one that should be a good thing be too much for Maggie to handle Will she become who she has to be to save the ones she loves or will she crumble under the pressure as this epic love story continues *The Christian examiner and Church of Ireland magazine* ,1832

Boy in Heels Kate Scott,2015-03-05 James Bond never had to dress up as a girl Spies in training Joe and Sam have one last mission to complete before Joe's family is moved on and Joe can finally ditch the dresses and stop pretending to be Josie They have to handle a series of top secret collections using their growing stealth skills not to mention the latest gadgets from HQ it's perfect At least it is until Joe's spy mum is put in danger and needs an urgent body double Joe's disguise is about to become a lot taller Can he walk in high heels well enough and learn what it means to not only be a spy but also a parent to fool the enemies and save his family from discovery

Sometimes Like Dimes Thom Slofer,2011-01-12 Sometimes Like Dimes Life Lessons in the Steel City is about Thom Slofer and chronicles his experiences growing up and becoming older in the Hill District neighborhood of Pittsburgh Pennsylvania USA in the 1980's and 90's During this time period the people's life passages and the changing surroundings are described as they affect him The Hill was once a thriving inner city neighborhood World famous jazz musicians once played in the ballrooms and jazz clubs nightly the Hill District was to Pittsburgh what Harlem is to New York City Hard economic times before and after the 1980's hit the once economically thriving black community at the foot of downtown Pittsburgh hard The Hill was now nothing more than a snapshot of economic demise The successes and setbacks through his high school years and into his young adult life are chronicled Older women he became involved with showed him another way to be despite peer and neighborhood influences He graduates high school to attend college but drops out and obtains a reasonable job but the streets and their influences are present He becomes a part time bartender then begins to carry a gun before losing his job and succumbing to low self esteem He's then forced to survive on the streets but refuses to take part in any crime He rises above and eventually beyond the streets but the lessons street life taught stayed within him Sometimes Like Dimes Life Lessons in the Steel City not only demonstrates that if every man were to write a book about his experiences every story would be unique but is also a lens to view what it was like to live life in Southwestern Pennsylvania USA
