Rosenfeld,2010-11-01 **Foot-tracks in New Zealand: Origins, Access Issues and Recent Developments** Pete McDonald,2011 Foot tracks in New Zealand examines the development of walking tracks over two centuries from the early 19th century to about 2011 Publisher Pete McDonald Page size A4 ISBN 0473190958 9780473190958 File format PDF Number of pages 1000 About Trails Tracks New Zealand History Recreation Land access

The History of New Zealand Tom Brooking,2004-06-30 With its closest neighbor some 1 200 miles away New Zealand is one of the most geographically isolated countries in the world Its remoteness led to its relatively late settlement Brooking traces New Zealand from its earliest Maori settlers to issues in 2003 covering intertribal relations the effects of European contact the challenges of globalization and more The volume includes a timeline of historical events biographical entries of notable people in the history of New Zealand a glossary of Maori terms and a bibliographic essay With its closest neighbor some 1 200 miles away New Zealand is one of the most geographically isolated countries in the world Its remoteness led to its relatively late settlement Brooking traces New Zealand from its earliest Maori settlers to issues in 2003 covering intertribal relations the effects of European contact the challenges of globalization and more The volume includes a timeline of historical events biographical entries of notable people in the history of New Zealand a glossary of Maori terms and a bibliographic essay This concise engagingly written volume is ideal for students and general interest readers seeking information on New Zealand s history **The New Zealand Wars and the Victorian Interpretation of Racial Conflict** James Belich,2015-02-16 First published in 1986 James Belich s groundbreaking book and the television series based upon it transformed New Zealanders understanding of New Zealand s great civil war struggles between Maori and Pakeha in the 19th century Revealing the enormous tactical and military skill of Maori and the inability of the Victorian interpretation of racial conflict to acknowledge those qualities Belich s account of the New Zealand Wars offered a very different picture from the one previously given in historical works This bestselling classic of New Zealand history and Belich s larger argument about the impact of historical interpretation resonates today Secret History Steven Loveridge,Richard S. Hill,2023-07-13 In 1900 a handful of New Zealand police detectives watched out for spies seditionists and others who might pose a threat to state and society The Police Force remained the primary instrument of such human intelligence in New Zealand until 1956 when a decade into the Cold War a dedicated Security Service was created Over the same period New Zealand s role within signals intelligence networks evolved from the Imperial Wireless Chain to the UKUSA intelligence alliance now known as Five Eyes The first of two volumes chronicling the history of state surveillance in New Zealand Secret History opens up the secret world of security intelligence through to 1956 It is the story of the surveillers who in times of war and peace turmoil and tranquillity monitored and analysed perceived threats to national interests It is also the story of the surveilled those whose association with organisations and movements led to their public and private lives being documented in secret files

Secret History explores a hidden and intriguing dimension of New Zealand history one which sits uneasily with cherished national notions of an exceptionally fair and open society State Authority, Indigenous Autonomy Richard S. Hill, 2004

Examining the relations between the Maori and the Fuling New Zealand government this text provides an overview of the Maori quest for autonomy in the first half of the 20th century and the government's responses to those requests **Nga Kahui Pou** Mason Durie, 2003-11-01 by 2051 the ethnic Maori population will almost double in size to close to a million or twenty two percent of the total New Zealand population Even more dramatically by 2051 thirty three percent of all children in the country will be Maori This substantial change in our society will have major implications for Maori and wider society Professor Durie discusses traditions and customs and addresses contemporary needs in order to build development strategies for the launch of the Maori population into the new millennium Iwi Angela Ballara, 1998 *Encircled Lands* Judith Binney, 2021-05-07 For Europeans during the nineteenth century the Urewera was a remote wilderness for those who lived there it was a sheltering heartland This history documents the first hundred years of the Rohe P tae the encircled lands of the Urewera following European contact After large areas of land were lost the Urewera became for a brief period an autonomous district governed by its own leaders But in 1921-22 the Urewera District Native Reserve was abolished in law Its very existence became largely forgotten except in local memory Recovering this history from a wealth of contemporary documents many written by Urewera leaders *Encircled Lands* contextualises T hoe's quest for a constitutional agreement that restores their authority in their lands **Crime and Empire 1840 - 1940** Barry Godfrey, Graeme Dunstall, 2013-06-17 This book is a major contribution to the comparative histories of crime and criminal justice focusing on the legal regimes of the British empire during the nineteenth and early twentieth centuries Its overarching theme is the transformation and convergence of criminal justice systems during a period that saw a broad shift from legal pluralism to the hegemony of state law in the European world and beyond Like Them That Dream Bronwyn Elsmore, 2011-09 The seminal work on the interaction of New Zealand's indigenous population with the Old Testament message brought by missionaries in the 19th century Nga Tini Whetu Mason Durie, 2011-12-01 *Nga Tini Whetu* Navigating Maori Futures brings together twenty five papers Mason Durie has presented at national and international conferences between 2004 and 2010 It discusses Maori moving towards a future involving new technologies alliances economies and levels of achievement and being equipped to respond to the changes in a way that enables Maori to prosper and live in a changing world as Maori This book builds on and extends Mason Durie's thinking in *Nga Kahui Pou* Launching Maori Futures published previously and develops his thoughts on Maori positioning to best respond to unfolding events and trends The papers discuss issues such as indigenous resilience and transformation Maori potential and achievement the Treaty of Waitangi and the national and global situation health care and ethics and future scenarios for Maori social and economic development and sustainability **The Certainty of Doubt** Miles Fairburn, William Hosking Oliver, 1996 Essays written by Peter Munz's friends and colleagues to celebrate his 75th

birthday themes include history the philosophy of history the philosophy of science and the problems of knowledge reflecting Munz's intellectual interests and achievements Back cover

Millennialism and Violence Michael Barkun, 2012-12-06 As the world approaches the year 2000 many societies are experiencing an unprecedented growth in millenarian movements that anticipate an imminent and total transformation of the world Many of these movements have been associated with violence either as a means for producing change or as a response to confrontations with state authority This book draws together research on this topic from political science psychology sociology and history in an attempt to understand the relationship between millenarian movements and episodes of violence

Encyclopedia of Religion and Nature Bron Taylor, Jeffrey Kaplan, 2005-01-01 No Marketing Blurb

Missions and Empire Norman Etherington, 2005-07-14 The explosive expansion of Christianity in Africa and Asia during the last two centuries constitutes one of the most remarkable cultural transformations in the history of mankind Because it coincided with the spread of European economic and political hegemony it tends to be taken for granted that Christian missions went hand in hand with imperialism and colonial conquest In this book historians survey the relationship between Christian missions and the British Empire from the seventeenth century to the 1960s and treat the subject thematically rather than regionally or chronologically Many of these themes are treated at length for the first time relating the work of missions to language medicine anthropology and decolonization Other important chapters focus on the difficult relationship between missionaries and white settlers women and mission and the neglected role of the indigenous evangelists who did far more than European or North American missionaries to spread the Christian religion belying the image of Christianity as the white man's religion

European Police Forces and Law Enforcement in the First World War Jonas Campion, Laurent López, Guillaume Payen, 2019-11-08 This book offers a global history of civilian military and gendarmerie style policing around the First World War Whilst many aspects of the Great War have been revisited in light of the centenary and in spite of the recent growth of modern policing history the role and fate of police forces in the conflict has been largely forgotten Yet the war affected all European and extra European police forces Despite their diversity all were confronted with transnational factors and forms of disorder and suffered generally from mass conscription During the conflict societies and states were faced with a crisis situation of unprecedented magnitude with mass mechanised killing on the battle field and starvation occupation destruction and in some cases even revolution on the home front Based on a wide geographical and chronological scope from the late nineteenth century to the interwar years this collection of essays explores the policing of European belligerent countries alongside their empires and neutral countries The book's approach crosses traditional boundaries between neutral and belligerent nations centres and peripheries and frontline and rear areas It focuses on the involvement and wartime transformations of these law enforcement forces thus highlighting underlying changes in police organisation identity and practices across this period

Between Indigenous and Settler Governance Lisa Ford, Tim Rowse, 2013 This book addresses the history current development and future of indigenous self

governance in five settler colonial nations Australia Canada New Zealand South Africa and the United States The Oxford Handbook of Millennialism Catherine Wessinger, 2016-07 Seventh Day Adventists Melanesian cargo cults David Koresh's Branch Davidians and the Raelian UFO religion would seem to have little in common What these groups share however is a millennial orientation the audacious human hope for a collective salvation which may be either heavenly or earthly The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures *Regional, Critical, and Historical Approaches* Peter Antes, Armin W. Geertz, Randi R. Warne, 2008-12-19 Internationally recognized scholars from many parts of the world provide a critical survey of recent developments and achievements in the global field of religious studies The work follows in the footsteps of two former publications Classical Approaches to the Study of Religion edited by Jacques Waardenburg 1973 and Contemporary Approaches to the Study of Religion edited by Frank Whaling 1984-85 New Approaches to the Study of Religion completes the survey of the comparative study of religion in the twentieth century by focussing on the past two decades Many of the chapters however are also pathbreaking and point the way to future approaches
