Strauss, 2018-02-15 Do you question things I mean really question things right down to the nitty gritty of life How about getting blamed for something you didn't do or vice versa How about rejection I'm good at that Something about you someone doesn't like Welcome to the club This is a book about life real life not the glossed over look at me how pretty kind of crap This is about the good the bad and the ugly I've scored really high on two of those Welcome to life the way I saw it and the way life saw me while I've occupied this planet Things in my life may not be all that different than it is for you and you've probably had your own personalized versions of the junk that goes on in these pages I hope you handled it better than me Welcome to the cuckoo's nest **Overland Monthly** Bret Harte, 1919

Life's Highway Ozell Wilson, 2018-12-21 Through life we go through a lot of bumpy roads and even dead end roads but if we just trust God and live the best we can this highway of life can be smoother knowing that we are not traveling these highways alone even though it may seem that way Someone has to come down this same highway of life and they made it through with the Lord's guidance **Captured!** Ferdinand Huszti Horvath, 2018-04-03 Captured is the autobiography of World War I Austrian POW Ferdinand Horvath who is taken prisoner on the front lines in 1914 and sent to a concentration camp in Siberia There he endures brutal conditions for two and a half years until one day fate presents an opportunity for escape Against impossible odds Horvath flees the frozen fortress undetected and attempts to make his way across war torn Russia to the safety of Sweden **The Wide World Magazine**, 1903 Leadership Lessons with The Beatles Shantha Mohan, 2022-05-03 Leadership has gone through many changes in the last couple of decades We have realized that outstanding leadership is not about being authoritarian and exercising control It is not only about the intelligence quotient IQ but also about emotional intelligence To be an exceptional leader you need several essential skills all of which you can learn The skills are nuanced with emotional intelligence which you can gain This book is unique the author weaves leadership ideas with the song titles of The Beatles making this book fun playful thoughtful and valuable Each chapter is organized with the key message on a leadership attribute prompted by a Beatles song title tips on becoming better on the topic a practice suggestion questions to ask yourself to think about the message and resources for more reading The author begins each chapter with how and why she chose the song and includes fun facts It's an engaging book that blends the words of perhaps the greatest rock band ever The Beatles with the basic principles for becoming a better leader A guide to the healthiest

First David R. Smith,2021-12-13 Not song writing not music theory but the craft of writing effective song lyrics The part people sometimes think is hard Theory and practice with extensive examples from popular music and the author's own inimitable song catalogue all linked to streaming media for a complete experience Intended for Creatives and the pragmatically oriented Experience the rush of immediate improvement We spend thousands of hours learning how to accompany a song on an instrument and how to sing How much time and effort and money do we put into learning how to write a compelling effective lyric How do we make the young girl cry and the bad boy buy The book covers the theory and develops some rules as Hector Barbosa says in Pirates of the Caribbean Guidelines for you to apply to achieve effective lyrics Lyrics First is a pure gold approach
