Illustrated** Dillon WALLACE,1907 *The Lure of the Labrador Wild* Dillon Dillon Wallace,2018-05-09 Three years have passed since Hubbard and I began that fateful journey into Labrador of which this volume is a record A little more than a year has elapsed since the first edition of our record made its appearance from the press Meanwhile I have looked behind the ranges Grand Lake has again borne me upon the bosom of her broad deep waters into the great lonely wilderness that lured Hubbard to his death It was a day in June last year that found me again at the point where some inexplicable fate had led

Hubbard and me to pass unexplored the bay that here extends northward to receive the Nascaupsee River along which lay the trail for which we were searching and induced us to take instead that other course that carried us into the dreadful Susan Valley How vividly I saw it all again Hubbard resting on his paddle and then rising up for a better view as he said Oh that s just a bay and it isn t worth while to take time to explore it The river comes in up here at the end of the lake They all said it was at the end of the lake And we said Yes it is at the end of the lake they all said so and went on for that was before we knew Hubbard never knew A perceptible current a questioning word the turn of a paddle would have set us right No current was noticed no word was spoken and the paddle sent us straight toward those blue hills yonder where Suffering and Starvation and Death were hidden and waiting for us How little we expected to meet these grim strangers then That July day came back to me as if it had been but the day before I believe I never missed Hubbard so much as at that moment I never felt his loss so keenly as then An almost irresistible impulse seized me to go on into our old trail and hurry to the camp where we had left him that stormy October day and find if he were not after all still there and waiting for me to come back to him
