Longman Mini English Dictionary:

Longman Mini English Dictionary Longman Do Brasil, 2002 An easy to carry mini dictionary that helps students understand 12 000 words and phrases with simple definitions illustrations and example sentences *Bilingual Thematic Dictionaries* Martin Stark, 2011-10-27 This book is concerned with bilingual thematic dictionaries BTDs The three chief aims of the research project are 1 to identify the characteristic features of the bilingual thematic dictionary 2 to gauge its usefulness and 3 to make suggestions as to how it could be improved Various approaches are adopted in order to reveal the nature of the BTD The typological approach considers the lexicographic genres bilingual thematic and pedagogical which have been combined to create this hybrid reference work Particular attention is paid to the BTD s immediate forerunner and closest lexicographic relative the monolingual thematic learner s dictionary Detailed textual analyses of contemporary thematic dictionaries identify the characteristic features of the macrostructure microstructure and other components from a structural perspective In order to evaluate the usefulness of the BTD features identified the textual analyses are supplemented by three pieces of user research involving a questionnaire to elicit learners opinions a test on the effectiveness of the access structure and an experiment to discover how a learner uses a BTD **Multilingualism and Intercultural**

Communication H. Ekkehard Wolff, Pamela Maseko, Russell H Kaschula, Christine Anthonissen, Bassey E Antia, 2017-05-01 An in depth look at the changing sociolinguistic dynamics that have influenced South African society To date there has been no published textbook which takes into account changing sociolinguistic dynamics that have influenced South African society Multilingualism and Intercultural Communication breaks new ground in this arena The scope of this book ranges from macro sociolinguistic questions pertaining to language policies and their implementation or non implementation to micro sociolinguistic observations of actual language use in verbal interaction mainly in multilingual contexts of Higher Education HE There is a gradual move for the study of language and culture to be taught in the context of professional disciplines in which they would be used for example Journalism and African languages Education and African languages etc The book caters for this growing market Because of its multilingual nature it caters to English and Afrikaans language speakers as well as the Sotho and Nguni language groups _ the largest languages in South Africa and also increasingly used in the context of South African Higher Education It brings together various inter linked disciplines such as Sociolinguistics and Applied Language Studies Media Studies and Journalism History and Education Social and Natural Sciences Law Human Language Technology Music Intercultural Communication and Literary Studies The unique cross cutting disciplinary features of the book will make it a must have for twenty first century South African students and scholars and those interested in applied language issues **The Perfect Learners' Dictionary (?)** Thomas Herbst, Kerstin Popp, 2011-08-25 This volume undertakes a detailed analysis of the latest generation of learners dictionaries of English It assembles the papers delivered at the eponymous symposium held at the University of Erlangen N rnberg in April 1997 There are a number of reasons why these

dictionaries are of special lexicographic interest 1 the type of learners dictionary associated notably with the name of Hornby can look back on a long tradition in British lexicography 2 competition between various publishers since the late 70s has given crucial impetus to the development of these dictionaries 3 these new dictionaries are decisively marked by the evaluation of large scale computer corpora Central to the volume is the in depth comparison of four dictionaries published in 1995 OALD5 LDOCE3 COBUILD2 CIDE The aim is to exemplify specific differences of approach in the four dictionaries from a wide range of viewpoints definitions information on valency and collocations policy on usage examples political correctness etc A number of articles also enlarge on the history of learners dictionaries of English the significance of corpus linguistics for lexicography and perspectives for the future notably in connection with the electronic media *Lexicography* Robert Ilson, 1986

Manual of Specialised Lexicography Henning Bergenholtz,Sven Tarp,1995-01-01 From 1990 1994 the Danish Research Council for the Humanities granted a research project entitled translation of LSP texts which was initially split up into five part projects one of which has been concerned with LSP lexicography The Manual of Specialised Lexicography is one of the results of the research undertaken by this project The primary purpose of the Manual is to contribute towards an improved basis for practical specialised lexicography which has so far had but a small share in the explosive development that has taken place in general language lexicography since the early 1970s One implication of this is that only to a limited extent has it been possible to build upon existing findings The Manual thus has the twofold aim of offering guidance and direction to authors of specialised dictionaries as well as contributing towards the further development of lexicographical theories

What Christians Believe Anna Wierzbicka,2019-02-28 Many people today both Christians and non Christians are confused about or unaware of the essentials of Christian faith In this book Anna Wierzbicka takes a radically new approach to the task of communicating what Christians believe to the widest possible audience The Story of God and People the heart of the book sets out the core tenets of Christian faith in narrative form using simple language that is accessible to anyone even those with no familiarity with Christianity or Christian vocabulary The Story is not only simple but also universal though written in English it is not phrased in full English English as we know it today shaped by history culture and tradition but in Minimal English Minimal English contains only those 400 or so English words that can be translated into any other language essentially it corresponds to the shared core of all languages In the introduction to the book Wierzbicka explains Minimal English and minimal languages in general and in The Story of God and People that follows she demonstrates the effectiveness of Minimal English as a tool for global understanding At the same time the use of Minimal English allows her not only to retell the Christian story in a strikingly new way but also to rethink its meaning bringing into relief its internal
