Kevin S. Sandler, Gaylyn Studlar, 1999 In 1997 James Cameron's *Titanic* became the first motion picture to earn a billion dollars worldwide. These essays ask the question: What made *Titanic* such a popular movie? Why has this film become a cultural and film phenomenon? What makes it so fascinating to the film-going public? **Fascism and Millennial American Cinema** Leighton Grist, 2018-05-31 This book examines a spate of American films released around the turn of the millennium that differently address the actuality or possibility of domestic fascism within the USA. The films discussed span a diversity of forms, genres and production practices and encompass low and medium budget studio and independent releases such as *American History X*, *Stir of Echoes* and *The Believer*, star and/or auteur vehicles such as *The Siege*, *Fight Club* and *American Beauty* and high budget high concept science fiction films and franchises such as *Starship Troopers*, *Minority Report*, the *Matrix* and *X-Men* trilogies and the *Star Wars* prequels. Central to the book is the detailed analysis of the films which is contextualized historically in relation to a period that saw the significant rise of the far Right. The book concordantly affords a wider insight into fascism and its various manifestations and how such have been and continue to be registered within American cinema.

The Roadhouse Comes to Britain David W. Gutzke, Michael John Law, 2017-04-20 This is the first book to examine the cultural phenomenon of the roadhouse in mid 20th century Britain and its impact on British leisure. The term roadhouse was used in varied ways in the 1930s from small roadside tearooms to enormous establishments on the outskirts of major cities. These roadhouses were an important component in the transformation of leisure in the 1930s and beyond reflecting the increased levels of social and physical mobility brought about by new technologies, suburbanisation and the influence of American culture. Roadhouses attracted wealthy Londoners excited by the prospect of a high speed run into the countryside. During the day they offered family activities such as tennis, archery, horse riding and swimming. At night they provided all the fun of the West End with dancing, classy restaurants, cabaret, swimsuit parades and dance demonstrations subverting the licensing laws to provide all night drinking. Rumours abounded of prostitution and transgressive behaviour in the car park. Roadhouses formed part of an imaginary America in suburban Britain that was promoted by the popularity of American movies, music and fiction providing a pastiche of the American country club. While much work has been done on the Soho nightclubs of the 1930s, the roadhouse has been largely ignored. Michael John Law and David Gutzke fill this gap in the literature by providing a comprehensive analysis of the roadhouse's cultural meaning, demonstrating how its Americanisation was interpreted for British consumers. This original and engaging study will be fascinating reading for all scholars of 20th century British cultural history.

reference in recent years popular action cinema remains neglected within contemporary film criticism *Spectacular Bodies* unravels the complexities and pleasures of a genre often dismissed as obvious in both its pleasure and its politics arguing that these controversial films should be analysed and understood within a cinematic as well as a political context Yvonne Tasker argues that today's action cinema not only responds to the shifts in gendered sexual and racial identities which took place during the 1980s but reflects the influences of other media such as the new video culture Her detailed discussion of the homoeroticism surrounding the muscleman hero the symbolic centrality of blackness within the crime narrative and the changing status of women within the genre addresses the constitution of these identities through the shifting categories of gender class race sex sexuality and nation *Spectacular Bodies* also examines the ambivalence of supposedly secure categories of popular cinema questioning the existing terms of film criticism in this area and addressing the complex pleasures of this neglected form
