Looking Good:

Looking Good Margaret A. Lowe, 2003 Winner of the Bridgewater State College Class of 1950 Distinguished Faculty Research Award Toward the end of the nineteenth century as young women began entering college in greater numbers than ever before physicians and social critics charged that campus life posed grave hazards to the female constitution and women's reproductive health A girl could study and learn Dr Edward Clarke warned in his widely read 1873 book *Sex in Education* but she could not do all this and retain uninjured health and a future secure from neuralgia uterine disease hysteria and other derangements of the nervous system For half a century ideas such as Dr Clarke's framed the debate over a woman's place in higher education almost exclusively in terms of her body and her health For historian Margaret A Lowe this obsession offers one of the clearest expressions of the social and cultural meanings given to the female body between 1875 and 1930 At the same time the college girl was a novelty that tested new ideas about feminine beauty sexuality and athleticism In *Looking Good* Lowe examines the ways in which college women at three quite different institutions Cornell University Smith College and Spelman College regarded their own bodies in this period Contrasting white and black students single sex and coeducational schools secular and religious environments and Northern and Southern attitudes Lowe draws on student diaries letters and publications institutional records and accounts in the popular press to examine the process by which new twentieth century ideals of the female body took hold in America *Looking Good* Lynne Luciano, 2002-01-09 Men once dreaded being accused of vanity but now they are spending millions on fitness training bodybuilding hair replacement and cosmetic surgery in the relentless pursuit of physical perfection In this lively examination Luciano explores what this new world reveals about American society today ***Looking Good Feeling Great Ladies 50 and Over* Nina Bagnall, 2009** Bagnall provides some of the best up to date information on how to stop lamenting one's age and start living life to its fullest ***Looking Good Even When You're Dead* D.M. SCHUETTEE, 2012-07-19** Living in the realm of the bright neon city lights of Las Vegas where the Memoirs of a ordinary life turned inside out and upside down Walking no longer as a human being but now the undead living in the dark shadows of a new life ***Looking Good* Keith Maillard, 2011-02-01** The Summer of Love is already like a distant memory the psychedelic underground has turned in on itself John Dupre has deserted a perfectly satisfying life as a student in Toronto drawn back to the US by the need to make a difference in the Revolution He's living in Boston under an assumed name because he's on the FBI's wanted list for draft evasion His best friend is Tom Parker an ex GI turned righteous drug dealer When John Tom and the militant feminist and Situationist Pam Zalman seize control of an underground newspaper and are put on the Weatherman hit list there's really no place to hide they're wanted on all sides It's the year of the Harvard Square riot the invasion of Cambodia and Kent State Campuses across America are host to demonstrations and riots Burning ROTC buildings has become an everyday pastime Pam and John forge a relationship where they're struggling against sex roles The Left is splintering into ever smaller and

crazier micro factions And that s when things begin to get really weird Looking Good is a masterfully crafted meticulously reconstructed social history of the 60s counterculture and a searching examination of gender identity the magnificent explosive climax to Difficulty at the Beginning *Looking Good . . .
