The American Popular Novel After World War II David Willbern, 2013-04-05 Through the perspectives of selected best-selling novels from the end of World War II to the end of the 20th century including *The Catcher in the Rye*, *To Kill a Mockingbird*, *The Godfather*, *Jaws*, *Beloved*, *The Silence of the Lambs*, and *Jurassic Park*, this book examines the crucial issues the U.S. was experiencing during those decades. These novels represent the voices of popular conversations as Americans considered issues of family, class, racism, and sexism, feminism, economic ambition, sexual violence, war, law, religion, and science. Through the windows of fiction, the book surveys the Cold War and anti-communism, the prefeminist era of the 1950s and the sexual revolution of the 1970s, forms of corporate power in the 1960s and 1980s, the traumatic legacies of slavery and Vietnam, the American fascination with lawyers, cops, and criminals, alternate styles of romance in the era of late capitalism, our abiding distrust of science, and our steadfast wonder about the Great Mysteries.

Hollywood and Catholic Women Kathryn Schleich, 2012-03 In this second edition of her exploration of Catholic women in film and television, author Kathryn Schleich presents an in-depth feminist point of view while addressing important questions about the role of women in both the Church and Hollywood. Throughout Schleich's extensive research, she noticed that themes of fear, mistrust, and even hatred of women were prevalent. While examining such deeply ingrained attitudes, it soon became evident to Schleich that Catholic women still have a long way to go in Hollywood. As she carefully explores the sexual tension between Sister Benedict and Father O'Malley in *The Bells of St. Mary's*, the brutal murder of Theresa Dunn in *Looking for Mr. Goodbar*, and the stereotype-shattering Grace Hanadarko of *Saving Grace*, Schleich offers an insightful portrayal of women's oppression within the Catholic Church and explores whether Catholic women are better off today. This study encourages contemplation of the place of Catholic women within the ever-changing spheres of cinema and television, ultimately encouraging movement toward the goal of achieving equal status for women in all realms of life.

Those Girls Katherine J. Lehman, 2011-09-27 Long before Carrie Bradshaw in *Sex and the City*, there was Mary Richards in *The Mary Tyler Moore Show*. Every week as Mary flung her beret into the air while the theme song proclaimed "You're gonna make it after all," it seemed that young independent women like herself had finally arrived. But as Katherine Lehman reveals, the struggle to create accurate portrayals of successful single women for American TV and cinema during the 1960s and 1970s wasn't as simple as the toss of a hat. *Those Girls* is the first book to focus exclusively on struggles to define the single girl character in TV and film during a transformative period in American society. Lehman has scoured a wide range of source materials: unstudied film and television scripts, magazines, novels, and advertisements to demonstrate how controversial female characters pitted fears of societal breakdown against the growing momentum of the women's rights movement. Lehman's book focuses on the single

girl an unmarried career woman in her 20s or 30s to show how this character type symbolized sweeping changes in women's roles. Analyzing films and programs against broader conceptions of women's sexual and social roles, she uncovers deep-seated fears in a nation accustomed to depictions of single women yearning for matrimony. Yet as television began to reflect public acceptance of career women, series such as *Police Woman* and *Wonder Woman* proved that heroines could wield both strength and femininity, while movies like *Looking for Mr. Goodbar* cautioned viewers against carrying new-found freedom too far. Lehman takes us behind the scenes in Hollywood to show us the production decisions and censorship negotiations that shaped these characters before they even made it to the screen. She includes often overlooked sources such as the TV series *Get Christie Love* and *Ebony* magazine to give us a richer understanding of how women of color negotiated urban singles life. And she reveals how trailblazing characters continue to influence portrayals of single women in shows like *Mad Men*. This entertaining and insightful study examines familiar characters caught between the competing fears and aspirations of a society rethinking its understanding of social and sexual mores. *Those Girls* reassesses feminine genres that are often marginalized in media scholarship and contributes to a greater valuation of the unmarried independent woman in America.

Nick McLean Behind the Camera Wayne Byrne, Nick McLean, 2020-03-20 Nick McLean was one of the most acclaimed camera operators in American cinema of the 1970s during which time he shot many classics of the New Hollywood movement including *McCabe*, *Mrs. Miller*, *Heaven Can Wait*, *Close Encounters of the Third Kind*, *The Deer Hunter*, *Marathon Man*, and *Being There*. As a cinematographer throughout the 1980s, McLean would film blockbusters such as *Cannonball Run II*, *City Heat*, *The Goonies*, and *Short Circuit* before being lured into television to photograph some of the biggest shows in town including *Evening Shade*, *Cybill*, and the pop culture phenomenon *Friends* for which he was thrice Emmy nominated.
