Sanga, 2003-03-30 With the publication of Salman Rushdie's Booker Prize winning novel *Midnight's Children* in 1981 followed by the unprecedented popularity of his subsequent works the cinematic adaptation of Michael Ondaatje's *The English Patient* many other best sellers written by South Asian novelists writing in English have gained a tremendous following This reference is a guide to their lives and writings The volume focuses on novelists born in South Asia who have written and continue to write about issues concerning that region Some of the novelists have published widely while others are only beginning their literary careers The volume includes alphabetically arranged entries on more than 50 South Asian novelists Each entry is written by an expert contributor and includes a biography a discussion of major works and themes a summary of the novelist's critical reception and primary and secondary bibliographies Since many of the contributors are personally acquainted with the novelists they are able to offer significant insights The volume closes with a selected bibliography of studies of the South Asian novel in English along with a list of anthologies and periodicals *The Refractionist*, 1914 *American Motorist*, 1924 *Deadly Outbreak* Robert Weekes, 2014-09-11 A global virus takes most of the human population with the Infected attacking those that remain it is a fight to survive But human nature can be worse than those that are infected and the fight to survive begins **5 Minute Tales of Wisdom** Kiran Agarwal, 2009 Retelling of popular tales from India **12 21 12** Dayne Rae Buck, 2009-08-12 The end of the world as we know it has come Six elderly people built an underground apartment to try to survive the outside weathers When they think the time is right they search for living beings Finding them they help to bring what's left of the world together Many struggles abound but with persistence these six elderly people prove to their followers that there is more to living than just being alive **Immaterial Architecture** Jonathan Hill, 2006-04-18 This fascinating argument from Jonathan Hill presents the case for the significance and importance of the immaterial in architecture Architecture is generally perceived as the solid physical matter that it unarguably creates but what of the spaces it creates This issue drives Hill's explorative look at the immaterial aspects of architecture The book discusses the pressures on architecture and the architectural profession to be respectively solid matter and solid practice and considers concepts that align architecture with the immaterial such as the superiority of ideas over matter command of drawing and design of spaces and surfaces Focusing on immaterial architecture as the perceived absence of matter Hill devises new means to explore the creativity of both the user and the architect advocating an architecture that fuses the immaterial and the material and considers its consequences challenging preconceptions about architecture its practice purpose matter and use This is a useful and innovative read that encourages architects and students to think beyond established theory and practice **Mink Hills** J.F Lore, 2024-04-18 For more than two hundred years the township of Mink Hills Manitoba has been embroiled in a secret war with an enemy profoundly suited to the shadows Legend has it that werewolves roam the woods outside of town responsible for the

abduction of local children a few from each generation Of course that's nonsense Surely whatever monster is responsible for taking these children is merely human though clearly lacking in humanity But when the son of RCMP Detective Marcus Pope is abducted along with two other children and the desperate search takes him and his fellow officers deep into the woods the werewolf legend becomes an undeniable reality in a vicious attack that leaves officers down and the survivors questioning everything they had ever believed Enlisting the help of fellow detective Morgan Heart as well as an ancient werewolf who had been turned against his will centuries earlier Marcus vows to put an end to the wolf pack's persistent and pernicious evil and seek justice for everything they'd taken from the people of Mink Hills and from himself
