Love Without Pride:

Love Without Reason Alison Fraser, 2012-07-16 Little Consequences An illegitimate baby was fodder for the local gossips especially when the identity of the baby's father was uncertain But Riona knew that Cameron Adams the wealthy American who owned the farm she managed in Scotland was her son's father He was also the man who'd left her without a word When Cam returned and took one look at the five month old baby in her arms Riona's deepest fear became a reality Cam gave her a choice a marriage of convenience to legitimize their son or a custody battle that Riona knew only Cam could win **Look, I Made a Hat** Stephen Sondheim, 2011-11-22 The second volume of Sondheim's collected lyrics is both a remarkable glimpse into the brilliant mind of a legend and a continuation of the acclaimed and best selling *Finishing the Hat* Picking up where he left off in *Finishing the Hat* Sondheim gives us all the lyrics along with excluded songs and early drafts of the Pulitzer Prize winning *Sunday in the Park with George* Into the Woods *Assassins* and *Passion* Here too is an in depth look at the evolution of *Wise Guys* which subsequently was transformed into *Bounce* and eventually became *Road Show* Sondheim takes us through his contributions to both television and film some of which may surprise you and covers plenty of never before seen material from unproduced projects as well There are abundant anecdotes about his many collaborations and readers are treated to rare personal material in this volume as Sondheim includes songs culled from commissions parodies and personal special occasions such as a hilarious song for Leonard Bernstein's seventieth birthday As he did in the previous volume Sondheim richly annotates his lyrics with invaluable advice on songwriting discussions of theater history and the state of the industry today and exacting dissections of his work both the successes and the failures Filled with even more behind the scenes photographs and illustrations from Sondheim's original manuscripts *Look I Made a Hat* is fascinating devourable and essential reading for any fan of the theater or this great man's work *Love Without Grace* Luciana D'Arad, 1963

Beyond Beauty Alexandra Villarroel Abrego, 2017-03-14 What is *Beyond Beauty* The author's ambition is to persuade all women but especially younger women to reach beyond goals of to realize the power of our inner beauty to overcome the limits society places on us Gen Y women face a terrible predicament of maturing in a world where media bombards us with information and images that distort our perception of the meaning of beauty self confidence and self love If we misunderstand our reality we can easily turn to outmoded cultural paradigms that convince us that we must behave like men to be valuable to society or that our hair or waistline determines our success or that finding the right man is the key to happiness As a millennial Ms Abrego believes modern women must learn to look beyond their physical selves and search for a deeper purpose for life and existence She aims to take us on a journey of self awakening to become our best self and unleash our feminine power to follow our dreams of a good life *Beyond Beauty* is designed to facilitate and encourage women of this generation to improve every aspect of their lives starting with their own selves The message of *Beyond Beauty* is needed more than ever The author can inspire and empower the women of Generation Y to want more to be more and live beyond

McGill,2007-01-01 Throughout the 1960s and 1970s Arthur McGill had numerous opportunities to air his rich theological musings outside of the classroom We are now fortunate some twenty five years after his death to have seventeen sermons brought to us by the aid of his wife Lucille McGill and editor David Cain University of Mary Washington These homilies reveal the core themes that distinguish his theological writings relaxing in our neediness before God participating in the death to life pattern of self expenditure and rooting our hope in the unique power of Christ The collection culminates with what Cain notes as McGill s signature sermon on The Good Samaritan wherein we see that the reception of grace always precedes the extension of grace In addressing day to day issues such as possessions speech loneliness and anger McGill is both prophetic and pastoral He does not hesitate to say that the wickedness of Nineveh alas is the wickedness of the United States At the same time he brings a refreshing word with theological depth about human suffering and the God who models ultimate vulnerability Love Without Limits Deborah M.
