

THE CHURCH SINGING FOR
ALICE SEBOLD AND THE LOVELY BONES

"*The Lovely Bones* is one of the strongest experiences I have had as a reader in a long time, and one of the most remarkable. Painfully funny, heart-
aching tough, steadily sad, it is a feat of imagination and a tribute to the
healing power of grief."

—Michael Chabon, author of *The Amazing Adventures of Kavalier and Clay*

"What a wonderful writer Alice Sebold is. Out of darkness she makes
light, out of despair and violence, beauty, out of deep loss a paradise,
lost-and-gone. All her characters, her good or ill, travel no surprising
paths, and so do we, her extremely human readers."

—Margot Lovejoy, author of *Five More for Paradise*

"Set in a heaven as real and possible as the earth is mysterious and shib-
bling, *The Lovely Bones* explores, with clear-eyed affection and wit, the
textures of family life, the shy, funny exhilarations of adolescence, and the
partial truths love and loss make through our world."

—Amy Bloom, author of *A Blind Man Can See How Much I Love You*

"*The Lovely Bones* is the kind of novel that, once you're done, you may go
on while wandering through a bookstore and touch on the binding,
just to remember the enormous joy felt while reading it. Intensely wise
and generously written, *The Lovely Bones* is a breathtaking page-turner.
I envy the reader who is about to jump into the world of Susan Saltonstall
and her incredible family."

—Karen Broderick, author of *An Invisible Sign of My Own*

The majority of scholarly treatments for film adaptation are put forth by experts on film and film analysis thus with the focus being on film *Analyzing Literature to Film Adaptations* looks at film adaptation from a fresh perspective that of writer or creator of literary fiction In her book Snyder explores both literature and film as separate entities detailing the analytical process of interpreting novels and short stories as well as films She then introduces a means to analyzing literature to film adaptations drawing from the concept of intertextual comparison Snyder writes not only from the perspective of a fiction writer but also as an instructor of writing literature and film adaptation She employs the use of specific film adaptations *Frankenstein Children of Men Away from Her* to show the analytical process put into practice Her approach to film adaptation is designed for students just beginning their academic journey but also for those students well on their way The book also is written for high school and college instructors who teach film adaptations in the classroom
