Lovemaking The Intimate Journey In Marriage:

LoveMaking Lynda Dykes Talmadge, William C. Talmadge, 2004 Noted sex therapists explore the necessary skills for healthy intimacy LOVEMAKING takes the reader on the journey of both individual development and that of the committed loving relationship This book is replete with stories of couples on their journeys that make it real and thought provoking exercises that make it personal *My Intimate Journey to Self* Nancy Jo Vanhook, 2012-09 This book was written to explain my journey I just wasn't anticipating a soul search to Hyderabad India I had to accept the sensitive intuitive gentle yet strong individual that I am I realized that I'm an Indigo This took time for me to acknowledge As much as I craved the attention for love and sought it out I often thought I was not deserving of it once I found true love My honest and earnest quest for knowledge hope faith and love took me searching first on Facebook YouTube and then Google my career and family This book is my own humble esoteric training done with trust in God While I was lost and searching I found it all and more and even true love in the most surprising place India And it all started behind my computer and cell phone *Good Husband, Great Marriage* Robert Mark Alter, 2007-01-01 For men and the women who love them this is a highly controversial book on how to get and be a good husband This book will appeal to the countless women who resent that their husbands never listen and that they have to nag in order to get them to do anything around the house who feel like their husbands are always pawing at them to have sex and who want more from their marriage It will appeal to men who want to have more sex less nagging and wives who adore them In short Good Husband Great Marriage is the book for everyone Good Husband Great Marriage is a hard hitting no nonsense guidebook for men and women to help them fix their marriages Robert Alter's central controversial argument the man is primarily responsible for the marital problems Alter says to women You are right to want what you want from him He says to men Stop thinking it's your wife's fault and transform yourself into the good husband you know you have in you In 50 chapters Alter describes the problem areas men face and what actions they can take to fix them The chapters include How to Know When You're Being a Man as Opposed to When You're Being an Asshole How to Talk to Her and Your Anger Cut the Shit Alter's approach is straightforward and logical he speaks to men in a language they understand In addition sections of the book will be geared for women where Alter will give advice to women on what they can do **God, Sex, and Your Marriage** Juli Slattery, 2022-06-07 Many Christian books talk about sexual issues within broader works on marriage but few resources comprehensively and biblically guide couples specifically on sexual intimacy God Sex and Your Marriage challenges the common assumptions couples have about sexuality and presents the richer biblical narrative of sex as a metaphor of God's covenant love Dr Juli Slattery applies that biblical framework to the practical challenges in sexual intimacy Godly sexuality extends far beyond sexual purity and calls us to sexual integrity God invites every couple to view their sexual relationship including their greatest struggles as an avenue to learn about the nature of His covenant love It's God's desire to make us more like Himself and sex within marriage is often a powerful training ground for godly character
