Loving The Enemy:

Loving the Enemy Clayton M.E. (author),1901 **Loving the Enemy** Pat White,2002 PB Handbook for the Study of the Historical Jesus (4 vols) Tom Holmén,Stanley E. Porter,2010-12-24 A hundred years after A Schweitzer s Von Reimarus zu Wrede the study of the historical Jesus is again experiencing a renaissance Ongoing since the beginning of the 1980 s this renaissance has produced an abundance of Jesus studies that also display a welcome diversity of methods approaches and hypotheses The Handbook of the Study of the Historical Jesus is designed to handle this diversity and abundance Drawing from first class scholarship throughout the world the four large volumes of the Handbook offer a unique assembly of leading experts presenting their approaches to the historical Jesus as well as a thought out compilation of original studies on a large variety of topics pertaining to Jesus research and adjacent areas **Loving the Enemy** Bawnie Oulton,1989 **Love Your Enemies** Sharon Salzberg,Robert Thurman,2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary Two acclaimed Buddhist teachers offer strategies and wisdom in a book that s been called possibly the most inspiring and liberating meditation on love ever written When people and circumstances upset us how do we deal with them Often we feel victimized We become hurt angry and defensive We end up seeing others as enemies and when things don t go our way we become enemies to ourselves But what if we could move past this pain anger and defensiveness Inspired by Buddhist philosophy this book introduces us to the four kinds of enemies we encounter in life the outer enemy people institutions and situations that mean to harm us the inner enemy anger hatred fear and other destructive emotions the secret enemy self obsession that isolates us from others and the super secret enemy deep seated self loathing that prevents us from finding inner freedom and true happiness In this practical guide we learn not only how to identify our enemies but more important how to transform our relationship to them Love Your Enemies teaches us how to break free from the mode of us versus them thinking develop compassion patience and love accept what is beyond our control embrace lovingkindness right speech and other core concepts First published in 2013 Love Your Enemies is more than ever required reading for navigating our world Throughout authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world Includes new prefaces from both authors *Jesus and Paul before Christianity* V. George Shillington,2011-10-14 Who was the real founder of Christianity as it is known today Jesus or Paul What if any was the connection between them These and other questions about the two historical figures have occupied biblical scholars and the Christian church for many years up to the present time This book proposes new ways of framing the questions as well as new approaches to answering them Neither Jesus nor Paul spoke of a new world religion separate from Judaism that would envelop the planet and last for millennia This study seeks to locate both figures in their respective places in the first century in Jewish contexts and within the larger Greco Roman society The aim is to transcend the language and thought patterns of later generations of theologians in order to hear more clearly the

prophetic voices of Jesus and Paul on their terms and in their social locations By so doing Shillington lays the groundwork for a more authentic translation of their vision and mission into modern alternatives including better Jewish Christian relations To learn more about this book and the forthcoming online video or DVD series for small group study please visit <http://www.jesusandpaulbeforechristianity.org>

Agape and Hesed-Ahava David L. Goicoechea, 2015-02-19 Goicoechea presents his third volume in a series on agape In this book he shows in four ways how the agape of Jesus fulfills the ahava and hesed of the Hebrew Bible First he shows existentially how he learned and lived this for six years in a Benedictine Minor Seminary and then for three years in a Sulpician Major Seminary Second he demonstrates how ahava or our love for God and neighbor and hesed or God's love for us develop through the Hebrew Bible Goicoechea argues that St Matthew's Gospel explains the fulfilment of ahava and hesed with Jesus agape He concludes by drawing
