Recycling the Cycle David Mills,1998-01-01 David Mills has produced a detailed study of the city of Chester Whitsun Plays in their local physical social political cultural and religious context **Urban Bodies** Carole Rawcliffe,2013 This first full length study of public health in pre Reformation England challenges a number of entrenched assumptions about the insanitary nature of urban life during the golden age of bacteria Adopting an interdisciplinary approach that draws on material remains as well as archives it examines the medical cultural and religious contexts in which ideas about the welfare of the communal body developed Far from demonstrating indifference ignorance or mute acceptance in the face of repeated onslaughts of epidemic disease the rulers and residents of English towns devised sophisticated and coherent strategies for the creation of a more salubrious environment among the plethora of initiatives whose origins often predated the Black Death can also be found measures for the improvement of the water supply for better food standards and for the care of the sick both rich and poor Provided by publisher Ottomiller's Index to Plays in Collections Denise L. Montgomery,2011-08-11 The standard location tool for full length plays published in collections and anthologies in England and the United States since the beginning of the 20th century Ottomiller's Index to Plays in Collections has undergone seven previous editions the latest in 1988 covering 1900 through 1985 In this new edition Denise Montgomery has expanded the volume to include collections published in the entire English speaking world through 2000 and beyond This new volume lists more than 3 500 new plays and 2 000 new authors as well as birth and or death information for hundreds of authors Representing the largest expansion between editions this updated volume is a valuable resource for libraries worldwide *Feminist Readings in Middle English Literature* Dr Ruth Evans,Ruth Evans,Leslie Johnson,2005-08-04 This volume designed with the student reader in mind is an indispensable blend of key essays in the field with specially commissioned new material by feminist scholars from the UK and the US It includes a diversity of texts and feminist approaches a substantial and very illuminating introduction by the editors and an annotated list of Further Reading offering preliminary guidance to the reader approaching the topic of gender and medieval literature for the first time Works and writers covered include Chaucer Margery Kempe Christine de Pisan The Katherine group of Saints Lives Langland's Piers Plowman Medieval cycle drama Students of both medieval and feminist literature will find this an essential work for study and reference *God's Bounty?* Ecclesiastical History Society,Ecclesiastical History Society. Summer Meeting,2010 Papers read at the 2008 summer meeting and the 2009 winter meeting of the Ecclesiastical History Society **The Penn Commentary on Piers Plowman, Volume 5, C Passūs 20-22 ; B Passūs 18-20** Stephen A. Barney,2006 The Penn Commentary on Piers Plowman, Volume 5 Stephen A. Barney,2011-06-07 The first full commentary on Piers Plowman since the late nineteenth century is inaugurated with the publication of the first two of its five projected volumes The detailed and wide ranging Penn Commentary places the allegorical dream vision of Piers Plowman within the literary historical social and intellectual contexts of late medieval

England and within the long history of critical interpretation of the poem assessing past scholarship while offering original materials and insights throughout The authors line by line section by section and passus by passus commentary on all three versions of the poem and on the stages of its multiple revisions reveals new aspects of the poem's meaning while assessing and summarizing a complex and often divisive scholarly tradition The volumes offer an up to date original and open ended guide to a poem whose engagement in its social world is unrivaled in English literature and whose literary religious and intellectual accomplishments are uniquely powerful The Penn Commentary is designed to be equally useful to readers of the A B or C texts of the poem It is geared to readers eager to have detailed experience of Piers Plowman and other medieval literature possessing some basic knowledge of Middle English language and literature and interested in pondering further the particularly difficult relationships to both that this poem possesses Others with interest in poetry of all periods will find the extended and detailed commentary useful precisely because it does not seek to avoid the poem's challenges but seeks instead to provoke thought about its intricacy and poetic achievements Andrew Galloway's Volume 1 treats the poem's first vision from the Prologue through Passus 4 in all three versions accepting the C text as the poet's final word but excavating downward through the earlier B and A texts Stephen Barney's volume completes the framework for the commentary dealing with the final three passus of the poem extant only in the B and C versions Subsequent volumes will be the work of Ralph Hanna Traugott Lawler and Anne Middleton Overall The Penn Commentary on Piers Plowman marks a new stage of concentrated yet wide ranging attention to a text whose repeated revisions and literary and intellectual complexity make it both an elusive object of inquiry and a literary work whose richness has long deserved the capacious and minutely detailed treatment that only a full commentary can allow Perhaps no poem in English appeals more than Piers Plowman to those readers who understand Yeats's fascination with things difficult yet The Penn Commentary will enable generations of readers to share in the pleasures and challenges of experiencing engaging with and trying to elucidate the difficulties of one of the towering achievements of English literature

Matthew's Account of the Massacre of the Innocents in Light of its Reception History Sung J. Cho, 2021-10-21 Sung Cho addresses the seeming contradiction of Herod the Great's massacre in Matthew 2 16 18 questioning why such a tragedy had to occur why it was included in the good news of Jesus and what connection it has to ancient prophecies In creating a reception history of the Massacre of the Innocents Cho progresses through two millennia worth of interpretation and depiction to highlight key works for discussion Beginning with a close reading of Matthew 2 16 18 Cho moves to analyse depictions of the tragedy in the Early Patristic Tradition from the sixth century to the early modern period and thus to the present day complete with an examination of visual interpretations of the massacre Cho's examination provides a positive step to understanding the depths of human suffering with the help of many diverse perspectives

Gendering the Master Narrative Mary C. Erler, Maryanne Kowaleski, 2018-08-06 Gendering the Master Narrative asks whether a female tradition of power might have existed distinct from the male one and how such a
