Naked Tongues Wagging:

Naked Tongues Wagging Edward Lucier, 2002-01-01 **Marilyn Monroe** Michelle Vogel, 2014-04-16 This book is essentially a filmography interlaced with a complex biographical account of Marilyn Monroe's life and loves throughout her career. A lengthy introduction explains her traumatic early life and mysterious, unexpected death. Behind the scenes information, cast and crew lists, box office grosses, and photographs are given for each film. There is a Foreword by Academy Award winning actor West Side Story George Chakiris who worked as a chorus dancer in two of Monroe's biggest productions *Gentlemen Prefer Blondes* 1953 and *There's No Business Like Show Business* 1954. This is a definitive summation of the Hollywood icon's career. **The Naked Year** Борис Пильняк, 1928 *On the Battlefields of Love* R. N. Taber, 2010 *She's a Knockout!* L.A. Jennings, 2014-10-23 Women's fighting sports have a rich and storied history. As far back as the eighteenth century, female fighters battled at varying levels from county fairs to elite events. With new opportunities to compete in legitimate arenas from the Olympics and the Golden Gloves to wrestling tournaments and Ultimate Fighting Championships, women are now able to fight in ways their predecessors never could. And though women today still often face the same derision their predecessors faced, their fortitude and determination has earned them respect from much of the fighting community. In *She's a Knockout: A History of Women in Fighting Sports*, L.A. Jennings chronicles the stories of these strong and resilient women, including wrestlers, mixed martial arts competitors, and boxers, and the different issues they have encountered. Throughout the narrative, Jennings situates the stories of the female fighters in the culture of their time, revealing how women were often seen as objects of spectacle and ridicule before finally garnering admiration in the fighting world. The women featured in this book include England's Championess Elizabeth Stokes of the 1720s, American wrestler Cora Livingstone in the 1930s, and early MMA great Debi Purcell in the 2000s. Featuring historical and contemporary photographs and exclusive interviews with professional fighters, this book delivers an in-depth look into the struggles and triumphs of female fighters. Fans of fighting sports, sports historians, and those interested in the history of women in sports will find this a fascinating and illuminating read. *The Forgetting Moon* Brian Lee Durfee, 2017-08-29 A massive army on the brink of conquest looms large in a world where prophecies are lies, magic is believed in but never seen, and hope is where you least expect to find it. Welcome to the Five Isles where war has come in the name of the invading army of S'r Sevier, a merciless host driven by the prophetic fervor of the Angel Prince Aeros toward the last unconquered kingdom of Gul Kana. Yet Gault, one of the elite Knights Archaic of S'r Sevier, is growing disillusioned by the crusade he is at the vanguard of, just as it embarks on his Lord Aeros' greatest triumph. While the eldest son of the fallen king of Gul Kana now reigns in ever-increasing paranoid isolationism, his two sisters seek their own paths. Jondralyn, the older sister renowned for her beauty, only desires to prove her worth as a warrior, while Tala, the younger sister, has uncovered a secret that may not only destroy her family but the entire kingdom. Then there's Hawkwood, the assassin sent to kill Jondralyn, who has instead

fallen in love with her and trains her in his deadly art All are led further into dangerous conspiracies within the court And hidden at the edge of Gul Kana is Nail the orphan taken by the enigmatic Shawcroft to the remote whaling village of Gallows Haven a young man who may hold the link to the salvation of the entire Five Isles You may think you know this story but everyone is not who they seem nor do they fit the roles you expect Durfee has created an epic fantasy full of hope in a world based on lies
