Inside Evangelicalism Mark Ward Sr.,2024-12-15 In *Inside Evangelicalism* Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism s one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of ordered social relations enacted

through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward s positionality as both an ethnographer of religious communication who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him uniquely qualified to cast an insider s critical yet balanced eye on conservative white Christian culture Inside Evangelicalism complements existing scholarship within anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication **Billboard** ,2003-07-19 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends The Publishers' Trade List Annual ,1904 **Billboard** ,2002-01-12 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,2003-08-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2003-05-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2002-12-07 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
