Bullinger, 2006-10-01 Six hundred and sixty six is the number of a name When the name of Antichrist is known its gematria will doubtless be found to be the number 666 22 95 22 95 22 95 This may be the most famous number in the Bible but it is by no means the only number to be found therein Number in Scripture provides a complete and exhaustive synopsis of the spiritual significance of every number found in the Bible This classic reference book on biblical numerology is one of the most famous and helpful reference books on numerology ever written E W ETHELBERT WILLIAM BULLINGER 1837 1913 was a Vicar of the Church of England a Biblical scholar and dispensationalist theologian Educated at King s College London he was a recognized scholar in the field of biblical languages In 1881 the Archbishop of Canterbury granted him an honorary Doctor of Divinity degree in recognition of his biblical scholarship Bullinger also wrote the notes and appendixes of The Companion Bible and is the author of numerous other works including Commentary on Revelation Great Cloud of Witnesses and How to Enjoy the Bible *Number in Scripture* E. W. Bullinger, 1985 **The Numerical Structure of the Holy Bible** Charles Stockford Jr., 2016-12-22 Most Bible students are aware of the use of numbers in scripture The number 7 is a prime example with its connotations of perfection and completeness The study of numbers as used in the Bible is infrequent and the Lord s people therefore miss some of that which is profitable for correction and instruction in the Word of God This volume goes a long way toward correcting the deficiency by providing a great introduction to the subject and showing that these patterns provide proof of the completeness and inspiration of the Holy Scriptures The reader will find profit as well as inspiration from this intriguing study *Number in Scripture* Ethelbert William Bullinger, 1895 **More Than Mama Sees or Daddy Knows** Rhonda B. Haugabook, 2013-03-05 I am still the girl from the neighborhood of people who kept the candle of hope burning brightly inside their hearts and through love and patience passed that light on to all of us youths Elders refused to allow forced segregation to be the determinant for the quality of their life experiences because they knew the true Supplier of all riches Holding their memories close within me I joyfully resolve to continue to have pride in my ancestry and allow my life and art to reect their Wisdom Now the mature virtuous woman of John Miles and Estella I appreciate the patience and Wisdom shared by so many during the days of small steps I am Nsaa a living breathing bursting with love genuine woman who understands and appreciates the rich earthen soil of experience that has expanded my heart and

Tatone,2023-10-28 This volume offers phenomenological studies that examine the lived experiences of biblical leaders emphasizing external summons and a prosocial intention while offering suggestions for future research Part 1 focuses on various aspects of divine calling and leadership covering topics such as the calling of biblical prophets like Jeremiah and Samuel and the downfall of Solomon Part 2 explores successful biblical leadership and followership from a qualitative phenomenological lens analyzing the experiences of Abraham Paul and Samson Part 3 presents both positive and negative portrayals of biblical leadership demonstrating how both types can lead to social justice outcomes Presenting a Christian perspective of the relationship between the leaders and their sense of calling this book employs a phenomenological approach to investigate the significance of various aspects of God s calling such as the leader s discernment of the calling predictors of a leader s calling the social cultural influences of the calling the relationship

between personality traits and calling and the evolution of a leader's calling This book will contribute to scholarly discussions related to meaningful work workplace satisfaction employee engagement and responsible leadership Covenant Chris Woodall, 2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies and promises concerning God's people in the Old Testament But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there The benefits of this for us are beyond measure the comprehension of them is mind blowing and the treasures they hold simply await our unlocking of them Take the key and peer inside You will not be disappointed **The story of the light that never went out, a history of English Protestantism, by A. Cook and W.S. Martin** Augusta Cook, 1903 **Understanding Matthew - Using Semitic Bible Study Methods** Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture's meaning is as deep as God and God is infinite The Watchman of Israel, 1920 **Truth Versus Man's Religious Systems** Terry W. McHenry, 2018-01-27 The book in overview is historical and instructional in content with the focus being on the Biblical text in terms of its original form and language and in consideration of its full and proper context linguistically textually historically culturally and literarily It stresses the importance of moving from a knowledge of the Bible to an understanding of its life giving instructions being studied in its entirety as a gift to mankind from a loving creator Elohim The thrust of the book is accordingly threefold An indictment of two of man's religious systems Judaism and Christianity for syncretism corruption of Elohim's written Word of truth and abuses of religious authority plus promulgation of religious traditions not aligned with the whole truth of Elohim's Word A call to return to the one source of truth the written Word of Elohim understood in its originally written form and in its full and proper context Providing the equipping and study tools

necessary to move from a mere knowledge of the Word to an understanding of its life giving instructions how to live a redeemed life as Elohim intended for all mankind

**The Imago Dei** John T. Swann, 2017-07-07 The creation of humankind in the Image of God is perhaps the most foundational tenet of theological anthropology yet it is rarely understood in the fullness of what it represents Too often focus is placed on the divine image as a condition A study of the Scriptures suggests that it is better understood not as a condition but rather as a commission of humanity to a role specifically a priestly role This book delves into the recognition that the Image of God is nothing less than a divine commission over all of humanity to serve as priests within the temple of creation It examines not only the creation of humankind as a priesthood in the opening chapters of Genesis but also the echoes of this anthropological interpretation throughout the Scriptures and the resulting ramifications for future biblical and theological studies

**Christian Fruit--Jewish Root** John D. Garr, 2015-04-13 Christian Fruit Jewish Root is an in depth scholarly examination of the Hebraic foundations of the major tenets and practices of Christianity This volume confirms the truth that the inherent Jewishness of the Christian faith is simply an undeniable historical and theological fact By evaluating Christian doctrine and polity through the Jewish mindset of Jesus and the apostles this book uncovers a veritable treasure of Hebraic truth For every authentic Christian fruit there is a Jewish toot This truth id demonstrated across a wide spectrum of theological truth including Scripture Messiah Salvation Faith Baptism Gospel Grace and Discipleship Christianity owes a profound debt of gratitude to the Jewish people and to biblical and Second Temple Judaism for the foundations of the truths and practices that it hold dear As you read this challenging informative and inspirational book you will be amazed at just how Jewish Christianity the other Jewish religion actually is

*Controversies Quieted by the Sword* Belinda B. Dickerson M.A., 2015-10-21 The author gives a diligent and careful investigation into the history and teachings of the Christian faith and church as they relate to poignant and timely contemporary controversies and issues facing modern day Christianity From questions about the role and place of women in the church and of the church itself to issues related to homosexuality and the nature of the spirit world the author provides a detailed and well refined study that should pique the curiosity of believers and help guide them towards God s true answers to these complex theological and doctrinal questions Inasmuch as Christ Peter Paul and the prophets taught in the simplicity in the Word some topics they taught were hard to understand or controversial to the traditional reader The purpose of this book is to shed light upon a few of those controversial subjects in hope of expounding unto the reader the way of God more perfectly
