spectrum of communities cultish revealing how they affect followers of groups as notorious as Heaven's Gate but also how they pervade our modern start ups Peloton leaderboards and Instagram feeds Incisive and darkly funny this enrapturing take on the curious social science of power and belief will make you hear the fanatical language of cultish everywhere *Claim Your Life* Boni Oian CH CART,2011-10-18 Have you ever wondered if theres a part of you working against yourself Your subconscious beliefs have manifested every relationship and material possession in your life Isnt it time for you to be in charge of your beliefs Isnt it time for you to pick what you want in your life So what do you want The ability to choose only comes when you know the choices Are you ready to turn your saboteur into an ally Would you like better relationships a better career more love more money Are you ready to unlock your hidden power Claim your Life will help systematically reveal your subconscious beliefs uncovering them so they can be uprooted and replaced with healthy beliefs that empower you and support the changes you seek This process will put you in the power seat of your life ushering you into the ideal life you deserve We are all just one step away from feeling empowered Take that step now *Holy Cow* Sarah

Macdonald,2004-04-13 In her twenties journalist Sarah Macdonald backpacked around India and came away with a lasting impression of heat pollution and poverty So when an airport beggar read her palm and told her she would return to India and for love she screamed Never and gave the country and him the finger But eleven years later the prophecy comes true When the love of Sarah's life is posted to India she quits her dream job to move to the most polluted city on earth New Delhi For Sarah this seems like the ultimate sacrifice for love and it almost kills her literally Just settled she falls dangerously ill with double pneumonia an experience that compels her to face some serious questions about her own fragile mortality and inner spiritual void I must find peace in the only place possible in India she concludes Within Thus begins her journey of discovery through India in search of the meaning of life and death Holy Cow is Macdonald's often hilarious chronicle of her adventures in a land of chaos and contradiction of encounters with Hinduism Islam and Jainism Sufis Sikhs Parsis and Christians and a kaleidoscope of yogis swamis and Bollywood stars From spiritual retreats and crumbling nirvanas to war zones and New Delhi nightclubs it is a journey that only a woman on a mission to save her soul her love life and her sanity can survive
