Nuptial Pact:

The Wedding Pact Emma Lea, 2022-04-17 AITA for turning up out of the blue and demanding that he marry me because of some teenage promise we made fourteen years ago Emma St James needed to get away Her career her impending marriage her mother Birch was just a convenient excuse a soft place to land a very bad idea Those pesky unrealised teenage fantasies were such a pain in the butt Seeing Emma again was a dream come true for Birch Forest although he knew the proposal was a sham She was hiding something and if he had to go along with the ridiculous wedding pact in order to find out her secrets then he would He wanted nothing more than to fix whatever was wrong But living together and pretending to plan a wedding suddenly felt a little too real and neither one of them wanted the fantasy to end This book uses Australian UK English

The Wedding Pact Ruth Ann Nordin, On her 21st birthday Ophelia was due to marry her guardian Only she didn't know it Miss Ophelia Crowe has led an extremely sheltered life After her parents died when she was five she went to live at her guardian's country estate She went on to live a life where everything was managed for her From what she could wear to what activities she could do each and every day had been carefully structured by the servants The problem was she didn't know who her guardian was Until the morning of her 21st birthday when the maids present her to him looking more like a doll than a lady who would like to have a say in her future And a doll is exactly the way he treats her She comes to realize just how much he's structured her life so that she's been trained to be the kind of wife he wants Well she's decided

she won't marry him. In a bold move she runs off on a horse in the night in order to escape the fate everyone has set out for her ever since she was a child. All Vicar Julian Roskin wants is to lead a quiet life. He's caused enough trouble in the past. He doesn't need any more problems. But late one night his safe and predictable world is turned upside down when a beautiful young lady ends up on his doorstep in need of protection. Protection in this case will require him to marry her. Reason tells him not to do it. Nothing good can come from marriage to a lady he doesn't know anything about. But something about her demands he take her up on her offer. Dare he take the risk or should he do everything he can to send her back? This is loosely inspired by the Little Red Riding Hood story.

The Wrangler's Wedding Pact Kate Barker, 2022-06-28 He needs a wife temporarily. But will love find them on their journey? For Charlotte Carpenter a job out West as a child's caretaker represents freedom and independence. But when she arrives circumstances dictate that she must marry the child's father for propriety's sake. Charlotte has always seen marriage as a trap, an opinion that's shared by her groom Paul Harrison. He assures her their match is temporary to sell his herd of horses with an annulment at the journey's end. But as they travel on the trail together will their temporary marriage turn into lasting love.

Mystery and Sacrament of Love Marc Cardinal Ouellet, 2015 An internationally respected Roman Catholic leader on the mystery sacrament of marriage. Marriage and the family are at the forefront of the burning questions being debated by civil society and the church today. Cultural changes in our increasingly secularized society have dire consequences in the family sphere requiring a Christian response that is faithful to the Church's tradition, says Marc Cardinal Ouellet. In *Mystery and Sacrament of Love* Ouellet clearly expounds a theology of marriage and the Catholic Church's understanding of the sacrament celebrated between spouses and God. Developed with influences from Pope Francis, the theological intuitions of Vatican II, the contributions of Saint John Paul II, the pope of the family, and the innovative thought of Hans Urs von Balthasar, Ouellet's study lays the foundations for a faithful resurgence of well-being for families in our contemporary day and age.
